Blood Products Key to Cancer Care

September is National Blood Cancer Awareness Month

You can join the fight to beat cancer, one blood donation at a time.

"Blood and platelets from volunteer donors can be vital to the care and treatment of people with cancer," said Sharyn Whitman, CEO for the Indiana-Ohio Region of the American Red Cross. "You can make such a difference to someone very sick through the simple act of rolling up your sleeve."

Every day, cancer patients may depend on blood being there for emergency or ongoing care. Leukemia and other cancers can cause anemia and internal bleeding, chemotherapies and radiation can lower blood counts, and cancer-related surgeries can result in blood loss. Transfusions of red blood cells and platelets can literally keep a patient from bleeding to death, or dramatically improve the quality of their life.

Just under 1 million people in the United States are living with or in remission from a form of blood cancer, according to the Leukemia and Lymphoma Society. And every four minutes, one person in the U.S. is diagnosed with a blood cancer.

With September being National Blood Cancer Awareness Month, donors are encouraged to make and keep appointments to give blood or platelets. The American Red Cross provides blood donation opportunities through donor centers, as well as through sponsored-organized drives at businesses, churches, civic and community organizations, places of worship, schools and colleges.

"We often hear from cancer patients or families who want to thank donors for their generosity," said Whitman. "They tell us that because someone took the time to give blood through the American Red Cross, their loved one was given another chance at life."

American Association for Respiratory Care here in Indiana have some good advice for moms and dads getting ready to send their kids back to school.

"If we've learned anything from last year's major outbreak of H1N1 influenza, it's that schools are a prime location for the spread of respiratory infections," says AARC member Kris Malott, RRT Manager of Cardiopulmonary services at Pulaski Memorial Hospital. "But we have also learned that there are a lot of ways parents and teachers can cut down on the transmission."

According to Malott, respiratory infections like the flu are most often spread when droplets from a cough or sneeze of an infected person travel through the air and land in the nose or mouth of another. But people can also catch these bugs when they touch a surface

touched by an infected person and then bring their hand to their own nose, eyes, or mouth.

To avoid transmission, Malott recommends parents address these four simple measures with their children and teachers before school begins:

1. **Cover your coughs and sneezes:** If the child has a tissue handy, have him use that to cover his mouth and nose, but if not, have him cough or sneeze into his sleeve. Unless your child can wash his hands immediately after coughing or sneezing, covering coughs and sneezes with the hands only increases the chances that the germs will

spread when your child touches a surface.

2. **Wash your hands often:** Frequent hand washing with soap and warm water is a great way to cut back on the spread of infections. But teach your child to wash for at least 15 to 20 seconds. A good way to gauge the time is to have her sing "Happy Birthday" twice while washing — that will result in about the right amount of time.

3. **Ensure your child's classroom is supplied with an alcohol-based hand rub:** Since kids can't always leave the classroom to wash their hands, having an alcohol-based hand rub they can use whenever they need to is a quick and easy way to minimize bugs. Ask the teacher to keep the rub on her desk or in another location where she can supervise its use.

4. **Make sure your school is keeping the classroom clean:** Frequent cleaning of classroom surfaces such as desks, toys, learning tools, and other

DEATHS

LARRY LEE LEASURE

Larry Lee Leasure, 70, Kewanna, passed away at 2:45 a.m. Friday, August 20, 2010 in the Yellow Rose Hospice Unit at Methodist Hospital, Indianapolis. Born January 30, 1940 in Pulaski County, he was the son of the late Herold and Vivian (Scott) Leasure. On January 7, 1961, he was married in Star City to (Mary) Linda Markley, who survives.
 He was a 1958 graduate of Star City High School and a U.S. Army veteran, serving from 1958-1961 as a vehicle mechanic and later as a medic.
 Larry formerly worked as a heavy equipment operator for Lebo and Markley in Winamac. He also worked at Tee-Pak in Winamac. He retired as a computerized numerical control machinist for Fulton Industries, Rochester.
 Fishing was Larry's passion and was an activity he pursued almost daily, all year round. He was a self-taught naturalist (a very good one), a gardener and was "grounds keeper" at home and sometimes beyond. He

loved vacationing in the Caribbean, especially the Yucatan Peninsula in Mexico, but traveled to other locales as long as the destination was in a natural setting, not a city. He enjoyed meeting his buddies for coffee at 4:30 a.m. daily. He was loved for his quirky sense of humor and his generous nature. He viewed every day as an added bonus and lived his life with a continuing sense of gratitude after having undergone kidney failure and an organ transplant in December 1988.

Larry was a member of the Star City United Methodist Church, Amalgamated Meat Packers Union, VFW Post No. 1121, Kewanna, and the National Wildlife Federation.

Survivors include his wife, (Mary) Linda Leasure, Kewanna; a son, Michael L. Leasure, Battleground; a daughter, Trudy L. Southe and her husband, Ed, Plymouth; and three grandchildren, Gregory D. and Erik L. Gottschalk and Skye L. Leasure. He was preceded in death by his parents and three sisters, Joan Warner, Maxine Hessong and Monna Lou Brincefield.

A visitation was held Tuesday evening at the Harrison-Metzger & Rans Funeral Home, Kewanna. Funeral services were private.

Memorial contributions may be made to any hospice program or go to www.donatelifelifeindiana.org to sign the registry for donation of organs or tissue or to make a monetary contribution.

Online condolences and tributes may be sent to www.harrisonmetzger.com.

NIPSCO, OUCC, other parties reach agreement on natural gas rate case settlement

Holds the line on costs, with rate decreases across all customer classes Continues strong support for customer assistance, energy efficiency programs

Northern Indiana Public Service Company (NIPSCO), the Indiana Office of Utility Consumer Counselor (OUCC) and other key customer stakeholders have reached a settlement agreement in NIPSCO's pending natural gas rate case. The settlement was filed with the Indiana Utility Regulatory Commission (IURC) on Tuesday, Aug. 24, 2010, and is subject to commission review and approval.

The settlement, also signed and agreed upon by the NIPSCO Industrial Group, the NIPSCO Marketer Group and Citizens Action Coalition of Indiana, will result in a rate decrease for all NIPSCO natural gas customer classes. The settlement also calls for continued strong support for low-income customer assistance, energy efficiency and conservation programs.

Among the settlement's key provisions:

NIPSCO will reduce its overall natural gas rates by \$14.8 million, based on a \$5 million reduction for residential customers and a \$9.8 million reduction for commercial and industrial customers. For NIPSCO's 660,000 residential natural gas customers, the reduction equates to a savings of approximately \$7.50 per year per customer. Rates for

commercial and industrial classes will also be lower.

NIPSCO will adjust its rate design for the residential class to reduce seasonal volatility in customer bills and support energy conservation. This change helps separate fixed monthly service costs from variable, usage-driven costs, allowing customers to better track and manage energy consumption. This design will include increasing the utility's monthly gas service charge from \$6.36 to \$11.00, instead of the \$20.00 charge originally proposed. Reductions to the base rate's volumetric charges will offset the service charge increase, especially in winter months.

NIPSCO will revise its low-income customer assistance program to make it similar in design to the Universal Service Program currently in place for Citizens Gas and Vectren Energy Delivery, and at the same funding level it contributes to the current Winter Warmth program. NIPSCO will contribute 25 percent of the program's costs, which under current usage levels total approximately \$1.5 million. The first \$500,000 of NIPSCO's funding will be used to continue a hardship program for non-eligible Low-Income Home Energy Assistance Program customers.

NIPSCO will continue to offer a variety of natural gas energy efficiency and conservation programs. NIPSCO currently provides \$1 million in annual funding for these programs, and will provide an additional \$1 million in funding for future extensions or enhancements to the programs within 30 days

following the issuance of an order approving the settlement.

The settlement addresses a number of additional natural gas rate related matters, including revision to NIPSCO's depreciation and amortization expense levels, regulatory treatment of Alternative Regulatory Plan (ARP) revenues and other items.

"We commend all the parties involved for taking a constructive and customer-focused approach in developing this settlement," NIPSCO CEO Jimmy Staton said. "We believe this represents a fair and reasonable outcome which serves the interests of NIPSCO's

customers and the public at large. This settlement is consistent with our expectations for the outcome of this case, and provides a strong platform for continued enhancements to customer service, reliability and our ongoing investment in Indiana's energy infrastructure."

"The OUCC negotiated aggressively for an overall rate decrease for consumers, while preserving funding for low-income assistance during these difficult economic times," said Indiana Utility Consumer Counselor David Stippler. "Our staff listened to consumers' comments and kept those comments in mind throughout these negotiations. We are very

pleased with the outcome of the negotiations that led to this agreement."

"The settlement agreement provides much needed rate relief and improvements to payment assistance CAC has supported for some time," said Citizens Action Coalition of Indiana Executive Director Grant Smith. "It also offers a reasonable solution to reducing seasonal volatility and a process for continuing gas efficiency programs. It shows what can be achieved when ratepayers and utilities work collaboratively."

"Of course, parents will also want to keep a close eye on the availability of the flu vaccine and make sure their children are vaccinated," says Malott. "But in the meantime — and throughout the cold and flu season — practicing good respiratory hygiene can make a big difference. In fact, a recent study found elementary school children in schools where students used proper hand hygiene missed about a half a day less of school during the year than those in schools where proper hand hygiene was not stressed."

"Slices of Life"

By: Jill Pertler

The sweet simple things in life

Life is filled with simple pleasures that bring a smile to your face and put a lump in your throat. My mom always advised me to count my blessings. It was her way of saying that everyday joys help to fill and define the essence of life. Being cognizant of them accomplishes something significant: it allows them to multiply. Once you start looking, you can't help seeing. I challenged myself to come up with a mere 100. Here goes:

1. Ring around the rosie
2. Puddles
3. A mama duck and her 10 babies
4. Crossing the street
5. Mudpies
6. A soft warm bed
7. Bringing your own pillow from home
8. Oversleeping
9. Being 8

NIPSCO HELPS CUSTOMERS SAVE ENERGY AND MONEY WITH APPLIANCE RECYCLING PROGRAM

Northern Indiana Public Service Company (NIPSCO) is expanding its lineup of energy savings programs with the addition of an appliance recycling home pickup program for residential electric customers.

Beginning August 10, customers who own older, inefficient refrigerators and freezers can schedule a free pickup and receive a \$35 incentive reward through NIPSCO's Appliance Recycling Program.

Each old refrigerator or freezer requires an average of 700 to 1,600 kilowatt-hours (kWh) to operate annually. If a spare refrigerator used in a basement or garage is removed and not

replaced, energy savings can amount to 1,200 kWh per year, with an average reduction of \$100 or more in annual electricity charges.

"Many customers are astounded when they learn how much more energy it requires to keep food and beverages cold in those secondary refrigerators and freezers normally stored in the garage or basement," said Guy Ausmus, senior vice president of customer engagement for NIPSCO. "Besides helping save energy and money, this program ensures that all units are safely dismantled and recycled in an environmentally responsible way."

NIPSCO's program partner, American Recycling Centers of America, Inc. (ARCA), will perform the in-home collection of qualifying refrigerators and freezers and properly recycle the units, which will prevent more than 95 percent of the recyclable materials in the old

units from entering the waste stream.

NIPSCO customers can schedule a free pickup on-line at www.NIPSCO.com/SaveEnergy, or by calling toll-free (877) 341-2190. Program funding is limited, and participation will be on a first-come, first-served basis.

Additional program details include:

- Must be a NIPSCO residential electric customer
- Must own the refrigerator or freezer and it must be 10-30 cubic feet
- Appliance(s) must be in working order

Appliance(s) must be plugged in prior to pickup. Appliance(s) will be picked up, at no charge, from address listed on the billing account. \$35 reward will be mailed within four weeks after pickup. Limit of two appliances per household, per year. "This new program is just one of the many ways we're continuing to provide customers with information and tools they need to make better-informed energy decisions that will lower their energy bills, save them money and result in a positive environmental impact," added Ausmus. Public Notice

NOTICE OF REAL PROPERTY TAX SALE

Fulton County Indiana
Beginning 10:00:00 AM, 9/24/2010
Commissioners Meeting Room Time
Fulton County

Pursuant to the laws of the Indiana General Assembly, notice is hereby given that the following described property is listed for sale for delinquent taxes and/or special assessments. The county auditor and county treasurer will apply on or after 9/7/2010 for a court judgment against the tracts or real property for an amount that is not less than the amount set out below and for an order to sell the tracts or real property at public auction to the highest bidder, subject to the right of redemption. Any defense to the application for judgment must be filed with the Fulton County CIRCUIT Court and served on the county auditor and treasurer before 9/7/2010. The court will set a date for a hearing at least seven (7) days before the advertised date of sale and the court will determine any defenses to the application for judgment at the hearing. The county auditor and the county treasurer are entitled to receive all pleadings, motions, petitions, and other filings related to the defense to the application for judgment.

Such sale will be held on 9/24/2010 at the Commissioners Meeting Room and that sale will continue until all tracts and real property have been offered for sale. Property will not be sold for an amount which is less than the sum of:

(A) the delinquent taxes and special assessments on each tract or item of real property; and

(B) the taxes and special assessments on the real property that are due and payable in the year of the sale, whether or not they are delinquent; and

(C) all penalties due on the delinquencies; and

(D) an amount prescribed by the county auditor that equals the sum of:

(1) twenty-five (\$25) for postage and publication costs; and

(2) any other costs incurred by the county that are directly attributable to the tax sale; and

(E) any unpaid costs due under IC 6-1.1-24-2(b) from a prior tax sale; and No property listed below shall be sold if, at any time before the sale, the Total Amount for Judgment is paid in full. If the real property is sold in the tax sale, the amount required to redeem such property will be 110% of the minimum bid for which the tract or real property was offered at the time of sale, as required by IC 6-1.1-24-5 if redeemed not more than six (6) months after the date of sale, or 115% of the minimum bid for which the tract or real property was offered at the time of sale, as required by IC 6-1.1-24-5 if redeemed more than six (6) months after the date of sale, plus the amount by which the purchase price exceeds the minimum bid on the real property plus ten percent (10%) per annum on the amount by which the purchase price exceeds the minimum bid on the property. All taxes and special assessments upon the property paid by the purchaser subsequent to the sale, plus 10% per annum interest on those taxes and special assessments, will also be required to be paid to redeem such property.

In addition, IC 6-1.1-25-2 (e) states the total amount required for redemption may include the following costs incurred and paid by the purchaser or the purchaser's assignee or the county before redemption: (1) The attorney's fees and cost of giving notice under IC 6-1.1-25-4.5. (2) The costs of title search or examining and updating the abstract of title for the tract or item of real property. The period of redemption shall expire on Monday, September 26, 2011 for an initial offering. The period of redemption may expire Monday, January 24, 2011 for certificates not sold.

If the tract or item of real property is sold for an amount more than the minimum bid and the property is not redeemed, the owner of record of the property who is divested of ownership at the time the tax deed is issued may have a right to the tax sale surplus. The Auditor and Treasurer specifically reserve the right to withhold from the sale any parcel which has been listed in error, or which otherwise becomes ineligible for sale either prior to 9/24/2010 or during the duration of the sale.

This notice of real property tax sale, and the tax sale itself are undertaken and will be conducted pursuant to the requirements of the laws of the State of Indiana which regulate the sale of land for delinquent taxes, pursuant to I.C. 6-1.1-24-1 et seq.

The County does not warrant the accuracy of the street address or common description of the property, and a misstatement in the key number or street address does not invalidate an otherwise valid sale.

Town & Country CHATTER...

By: Julie Brown Ph.: (574) 653-2451

Angela Gast left early in the week for Muncie. She spent several days visiting with her friend, Hannah Shopmeyer, and her family.

Tim Cogdill of Macy and his sister and brother-in-law, Jane and Jim Teeter of Bluffton, spent Wednesday, Aug. 18, visiting with Tim and Jane's mother, Ruth Cogdill. It was a great day of catching up on all the family news. They enjoyed carry-out chicken from the Kibitzer for lunch. The visit also included goodbyes as Jane has accepted a position with the Traveling Nurses' Association. She left Tuesday, Aug. 24, for Austin, Texas. She will start her duties as a pediatric intensive care nurse Aug. 27. (Jim was to accompany her, but will return to Bluffton in a few weeks.) Jane is excited over this new change and having a vacation compliments of the new company.

Pauline Brown was in Rochester Wednesday. She enjoyed visiting with Sharlene Haimbaugh and Barbara Brown over lunch at the truck stop.

Helen Whiteman had a caller Wednesday. Coming over in the evening was her son, Kevin Whiteman of Pulaski. They enjoyed supper together and Kevin was able to fix Helen's lawn mower.

Don and Pauline Scales had a few callers Thursday, Aug. 19. Coming for a visit was their daughter, Phyllis Koontz of Rochester. On her way, Phyllis had stopped in Fulton to pick up family friend, Diana Krisher, to accompany her on the visit. In the afternoon, the group was joined by Phyllis's daughter and granddaughter, Cindy Wiese and Ally, for a chat.

Barb LaFollette enjoyed a day with her daughter, Karina Bohac of Rochester, Thursday. Karina arrived with a choice of three mysterious destinations sealed in envelopes from which Barb was to select one as her birthday present. The envelope chosen listed a day-long trip to the Four

Winds Casino for some gambling and a dinner buffet.

Ann Zartman and Shirley had a houseguest over the weekend. Staying with them for a few days was Ann's great-grandson, Jacob Green.

Helen Miller had a houseguest early in the weekend. Arriving Friday, Aug. 20, for a pleasant overnight visit was her daughter, Judy Scott of Frankfort.

Ruth Cogdill had surprise visitors Friday. Her sister, Janel Norris, and Janel's friend, Brian Eckert, stopped in to see her. They had been to the fish and tenderloin fry dinner at St. Ann's Catholic Church. (Janel was surprised to see so many familiar faces from past years at the dinner.) The three enjoyed a nice evening visit.

Jerry and Kay Brown traveled to Niles, Michigan Saturday, Aug. 21. They had a wonderful time attending the wedding ceremony performed between their grandson, Cory Thomas Smith, and Rachel Yvonne Behnke. The outdoor ceremony and reception were held at the Fernwood Botanical Gardens. Among the many family and friends in attendance were the groom's great-grandmother, Mary K. Williamson of Winamac; his aunts and uncles Sue and Mike McKinney of Rochester, Karen and Kerry Brown of Connersville, Mick and Mark Brown and Mike Brown; his cousins Kyle McKinney of Muncie and Molly McKinney of Ball State University; and Lynn Hall and her son.

Helen Miller and Judy Scott had a visitor Saturday. Coming up for an overnight visit was Helen's granddaughter, Suzanne Crump of Muncie.

Helen Whiteman had a visitor Saturday. Stopping by in the afternoon for a family chat was her daughter, Sherri Lett.

Kerry and Karen Brown were Saturday overnight houseguests of Kerry's parents, Kay and Jerry Brown.

Renee Colley has returned home safely following an eight-day motorcycle trip to the east coast. Her traveling companions for the excursion were Dick Fedorchak and Palmer Boyd. They had a wonderful time visiting with family during their trip. The highlight, though, was a visit to The Biltmore in Asheville, North Carolina.

Jerry, Kay, Kerry and Karen Brown had a few visitors Sunday, Aug. 22. The first ones to stop by for a family chat were Mike Brown and his son, Jason Brown of Columbus. Later, Sue McKinney came over with her great-nephew, William Smith.

Those persons who will be having birthdays next week (so please remember to give them your best regards) are: Bruce Baker, Fred Bauman, Kim Jenkins and Theresa Heitz, Aug. 29; Mark Brown, Felicia Carpenter and Michele Corbett, Aug. 30; Nancy Bowyer, Brian Easterday, Linda Garner, Clara Ton, Elizabeth Weaver, David Wegner and Denise Wegner, Aug. 31; Mick Brown, Paige Kiefaber, Hayley Mills, Sister Mary Shawn, Isaac Szmar, Joel Urbin, Joseph Wilson and Samantha Wilson, Sept. 1; Diane Evers, Carl Miller, Dr. Dana Smith and Lois Wilson, Sept. 2; Lori Leach and Trayten Mikesell, Sept. 3; and Shelby Bohac, Lisa Cummins, Betty Hickle and Mary Wegner, Sept. 4.

There are five couples who will be celebrating their wedding anniversaries next week: Mr. and Mrs. Scott Hilton and Mr. and Mrs. Norm Steigely, Aug. 30; Mr. and Mrs. Randall Basham, Aug. 31; Mr. and Mrs. Adam Lowe, Sept. 2; and Mr. and Mrs. Darl Daily, Sept. 3.

Kewanna/Union Twp. Library News...

Nicholas Hughes

This week, I would like to talk about books. Surprise, I know, a librarian talking about books. But there it is and here we are. Books.

I do not know what this community's access to different genres was before I first visited back in April of this year. All I know is what I saw that day and when I took over. Since June, the collection has been evolving and changing. More suspense and mystery novels grace the new book shelves than before, along with Science Fiction and Fantasy taking up the same amount of shelf space. Also, a young adult section arrived. Personally, fantastic literature is my favorite, so, to all those people who love a good yarn full of strange worlds, they are here. But as always, these books are not being bought for me, but for you. We need input. We need people to tell us what they want to see. The point of this whole talk is that we have books, and plenty of them. The new Kathy Reichs (the author whose books inspired the tv show "Bones"), Stieg Larsson (The Girl with the Dragon Tattoo), Brandon Sanderson (Mistborn, Warbreaker), Charlene Harris (True Blood), Nora Roberts, Clive Cussler, Stephen King, Robert Jordan, James Patterson, Meg Cabot, Ken Follet *Breath* Kaye Kellerman, Nathaniel Philbrick, Hugh Ambrose, Jeffery Deaver, Todd McCaffery, Tracy Peterson, Douglas Preston & Lincoln Child, Dean Koontz. The list goes on, and those are just adult books. Imagine the list that exists for both the Young

Adult and Children's sections. We have books. Come in and check them out.

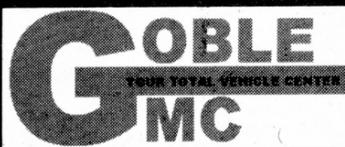

This week the Kewanna Union Township Public Library is also proud to announce that during the weekend of the Fall Festival, we will be hosting what is hoped to be the first of many book sales. Books will cost 50¢ each or 12 for \$5. All proceeds will go back to the library as a means for offering programs and needed activities to you and your families. As of right now, the hours are Noon to 5 PM on Friday, Saturday and Sunday 9 to 5. The reason that I say "As of right now", is because we need help. We are looking for people willing to volunteer some of their time for this worthwhile cause. While we are not looking for large time commitments, any help would be appreciated. Please give us a call at 653-2011 and we will schedule you in to help. And before anyone volunteers, thank you, because I know that this town will step up and help preserve a local community center.

Well, I think you have heard me ramble long enough today, so enjoy your day (or what's left of it) and stop in when you have a moment. I am positive that there is something here for each and everyone of you.
