## Local farm named "Hoosier Homestead Farm"

Mrs. Jeanette Hunter and several members of her family were in Indianapolis Wednesday, August 12, to receive a Hoosier Homestead Farm award in ceremonies held during the Indiana State Fair. The award was presented to the Collins family farm located on County Road 100 S, northeast of Kewanna. The Hoosier Homestead award program honors families that have held ownership of their family farm for 100 years or more.

Lt. Governor Becky Skillman presented the awards, assisted by Representative Doug Gutwein and Director of Agriculture Diane Hazlett.

During the ceremony, plaques were presented and pictures taken of 36 families that received the 100-year award. Ten families received the 150-year award. Twenty-six Indiana counties were represented in this year's award group. Approximately 300 people were in attendance to hear speeches given noting the perseverance and dedication necessary to hold ownership through world wars, depression and years of low farm income.

The Hoosier Homestead award program was started in 1976 and is part of the Indiana Department of Agriculture. Since the beginning of the program, 4,500 families throughout the state have been honored.

Investigation continues into the armed hold-up last Friday morning of the Leiters Ford State Bank at Leiters Ford. At about 9:40 a.m., an armed man wearing a stocking mask entered the bank and forced employees and customers to lie on the floor. He ordered tellers Lucille Basile and Margaret Thoren to fill sacks with money and then fled in a 1969 auto which was later found in a corn field north of Leiters Ford. It is believed to be the first

armed robbery of a bank in Fulton County.

## Letter To The Editor...

9/21/09

Letter to the Editor:

First of all, kudos to Krystal Smith. Thank you so much for taking time to address our questions, especially since you are no longer directly involved with the Kewanna library. Your information was very helpful and enlightening and objective for all concerned. Thank you.

Thank you to our current library board for giving more public information to many people who would like to be in the know. There have been many young families moving here in the past few years and the library is a beacon in this small town. Students are using library computers for research. More people are using the GED classes we provide. More seniors use the

library instead of buying books that can be costly and require extra storage. Many can't use the library because it's not handicap accessible. Yes! We need improvements! We can be supportive if the information and plans are provided. Remember when we were all in school to answer - who, what, where, when, why?

In regards to the letter published Sept. 3<sup>rd</sup> in this paper, asking questions does not imply slander in anyway. The letter was meant to bring attention to the library and what is being proposed. We all only want what is best for all of us and accomplished in the best way. Perhaps in the future, questions could be addressed locally rather than attacking the messenger.

Please, citizens of Kewanna, get more involved with your library. Yes, I'm concerned, as a citizen and a frequent user of our library.

Ruth Larkin

**Public Notice****NOTICE OF REAL PROPERTY TAX SALE**

Fulton County Indiana  
Beginning 10:00 AM,  
October 20, 2009  
Commissioners Room Time  
Fulton County

Pursuant to the laws of the Indiana General Assembly, notice is hereby given that the following described property is listed for sale for delinquent taxes and/or special assessments. The county auditor and county treasurer will apply on or after Friday, October 02, 2009 for a court judgment against the tracts or real property for an amount that is not less than the amount set out below and for an order to sell the tracts or real property at public auction to the highest bidder, subject to the right of redemption. Any defense to the application for judgment must be filed with the Fulton County CIRCUIT Court before Friday, October 02, 2009. The court will set a date for a hearing at least seven (7) days before the advertised date of sale and the court will determine any defenses to the application for judgment at the hearing. Such sale will be held Tuesday, October 20, 2009 at the Commissioners Room and that sale will continue until all tracts and real property have been offered for sale. Property will not be sold for an amount which is less than the sum of:

(A) the delinquent taxes and special assessments on each tract or item of real property; and

(B) the taxes and special assessments on the real property that are due and payable in the year of the sale, whether or not they are delinquent; and

(C) all penalties due on the delinquencies; and

(D) an amount prescribed by the county auditor that equals the sum of:

(1) twenty-five(\$25) for postage and publication costs; and

(2) any other costs incurred by the county that are directly attributable to the tax sale; and

(E) any unpaid costs due, under subsection (b), from a prior tax sale; and

No property listed below shall be sold if, at any time before the sale, the Total Amount for Judgment is paid in full. If the real property is sold in the tax sale, the amount required to redeem such property will be 110% of the minimum bid for which the tract or real property was offered at the time of sale, as required by IC 6-1.1-24-5 if redeemed not more than six (6) months after the date of sale, or 115% of the minimum bid for which the tract or real property was offered at the time of sale, as required by IC 6-1.1-24-5 if redeemed more than six (6) months after the date of sale, plus the amount by which the purchase price exceeds the minimum bid on the real property plus ten percent (10%) per annum on the amount by which the purchase price exceeds the minimum bid on the property. All taxes and special assessments upon the property paid by the purchaser subsequent to the sale, plus 10% per annum interest on those taxes and special assessments, will also be required to be paid to redeem such property.

In addition, IC 6-1.1-25-2 (e) states the total amount required for redemption may include the following

costs incurred and paid by the purchaser or the purchaser's assignee or the county before redemption: (1) The attorney's fees and cost of giving notice under IC 6-1.1-25-4.5. (2) The costs of title search or examining and update the abstract of title for the tract or item of real property. The period of redemption shall expire one year from the date of sale for an initial offering. Additional penalties that are due as a result of the 2008 second installment tax collection have not been added to the minimum bids as of this date. Those amounts will also be added as part of the minimum bid for the tax sale. The period of redemption shall expire one hundred twenty (120) days from the date of sale for certificates not sold.

If the tract or item of real property is sold for an amount more than the minimum bid and the property is not redeemed, the owner of record of the property who is divested of ownership at the time the tax deed is issued may have a right to the tax sale surplus.

The Auditor and Treasurer specifically reserve the right to withhold from the sale any parcel which has been listed in error, or which otherwise become ineligible for sale either prior to Tuesday, October 20, 2009 or during the duration of the sale.

This notice of real property tax sale, and the tax sale itself are undertaken and will be conducted pursuant to the requirements of the laws of the State of Indiana which regulate the sale of land for delinquent taxes, pursuant to I.C. 6-1.1-24-1 et seq.

The Auditor's Office does not warrant the accuracy of the key numbers or street addresses published herein and any misstatement in the key number or street address does not invalidate an otherwise valid sale.
