### Library Board Meeting

The library board reviewed the status of grant proposals and proceedings at the March, 29, 2010 meeting. We will know in early May if we are successful with the Community Focus grant. The Board authorized the work on two additional grants.

Interim Director, Larry Cunningham, reported on the current activities of the library and planning for the summer programs. We are working on a substitute list and volunteer list. Several people have signed up already. We want to encourage people to become part of the library volunteer community.

He also encouraged the board to begin the search for a new director as soon as possible. He was asked if he would mentor a new director. He suggested that he would be available help a new director. This is a great opportunity for someone to make a real difference in the community. The library is a vital part of community.

Board agreed to a one circulation time period of 14 days. Maximum number of books out on a card will be 10. This will make it easier for those who live outside of town. This policy change will become effective April, 2010. Library staff will be working on an operations manual -- how we do it here. Staff will do whatever they can to simplify the library operations.

Harry Mohler, Project architect, will be working on the current grants and additional grants. Kewanna has a good chance on being successful. Mr. Mohler reviewed the five phase approach to the grant work. He checked the building lighting systems and also checked the conditions above the false ceiling. We are now in the process of getting the signatures required for current grants proposals.

Next Board meeting will be April, 26, 2010. The public is invited.

Chad Woolington, a sixth

Want to thank all of you who have come to the library to review some of the changes and improvements. If you see something that would make the library look and feel better please let us know.

Everyone likes the brighter look and all the high school class pictures that have been placed on the walls. Come in and see if you can find your high school picture. The kids are having fun looking for mom and dad and even grandparents.

Staff will be working on a summer reading program. Anyone that would like to volunteer to help the staff please let us know. Call or visit. As

grader at Lincoln Middle School in Logansport, won the Great Lakes Regional Hoop Shoot Saturday at the University of Michigan. Chad made 23 of 25 free throws as did Brad Besonen of Trout Creek, Michigan. In the shoot-off Chad hit five of five, while Besonen could only manage four of five. Chad is the son of Mark and Diane Woolington of Logansport and the grandson of Don and Doris Woolington, Kewanna. Florence Kruger of here is his greatgrandmother.

Mattie Rainey of here and Nora Chaney of Tippecanoe Shores Thursday until spent from Saturday at the home of Mr. and Chaney Kenneth Mrs. in Wakarusa and attended the Sugar Maple Festival. +++

soon as the planning is complete we will publish the schedule of activities.

Kewanna/Union Township Public Library News.

If you have suggestions for programs that could be held at the library let us know.

We would also like to invite groups that are looking for a place to meet. All clubs, reading clubs, card groups, etc are welcome.

The grant proposal has been submitted. This is a competitive process but we think we have a good chance of getting the grant. In the mean time we will continue to make improvements to make the library more user friendly and helpful. We will be reviewing the technology program and see what we can do to up-date the computer systems. I would like to see at least eight computer work stations. The computers are used daily by our patrons. Often the only way to connect to state services are via the computer. For those who do not have computers at home they are dependent on the library work stations.

We are also collecting names of persons that would like to be on a substitute list. Once we get 3-4 names we will hold a short training session. There are times when we really need an additional person to help at the front desk or with various programs. Scheduling would be for the morning, afternoon and later afternoon hours, for example, 10:00 AM - 12:00 Noon, 12:00 Noon - 3:00 PM, and 3:00 PM - 6:00 PM.

If you haven't stopped in for awhile, do stop in and take a look around. This is your li-
