KEWANNA TOWN COUNCIL

The Kewanna town council met in regular session Thursday, April 1, at 7 p.m. at the Kewanna town hall. Present were council members, Jeff Finke, Mark Smith and Dan Birge; clerk-treasurer, Jenny Kay; fire captain, Tony Pesaresi; marshal, Dennis Price, superintendent, Mike Molitor; assistant superintendent and his wife, Danny and Mary Chew; engineer, Van Janovic; and local resident, Charlotte Hartung.

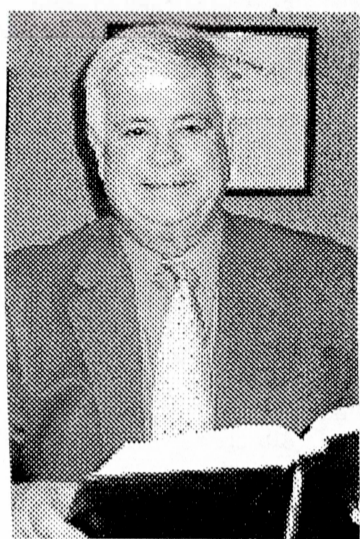

Marshal Price submitted his monthly report noting two traffic arrests, three traffic warnings, four criminal arrests, 44 calls answered, one gun permit, two vehicle checks and 1,647 miles patrolled. He also noted that the new cameras have been installed. The current system can only accommodate four cameras and the department would like to upgrade to a system that can accommodate eight. Marshal Price's radio has been sent in for repair. Due to the age of the radio, it is uncertain if the repairs will fix the problem. The council approved the upgrade to the camera system, as well as purchasing a new radio that will be compliant with FCC regulations. Marshal Price attended meth awareness schooling at Grissom March 2. He and Deputy Jon Sailors attended state mandated classes at Grissom March 10.

Fire captain, Tony Pesaresi, submitted the fire report and inquired about the town's share of LOIT (Local Option Income Tax) funds. Additional appropriations from the LOIT funds will be advertised and a hearing will be held at the May council meeting. The department responded to three town alarms in March, one fire and two medical; and seven township alarms, three fire and four medical. Training pertained to ice rescue.

Van Janovic, engineer for the ground water tile project, submitted a change order for the construction of a manhole on the Winamac Coil Spring sanitary sewer lateral in the amount of \$11,479.7. The change order was approved. The council also signed a storm water easement as there were minor wording changes requested on prior paperwork.

Resident Charlotte Hartung expressed concern that semi trucks passing her residence will take out her electric and/or telephone lines. The electric lines have already been moved, but the telephone lines need to be moved higher. The clerk will contact Century Link concerning the problem.

Town superintendent Mike Molitor noted he had spoken with local resident Josh Martindale regarding a request he made to tie into the town's tile in the back of his property. The council agreed he could tie into the town tile if needed, but would have to repair his tile first. Molitor reported he has

Kallenbach announces candidacy for State Representative

Richard Kallenbach, DeMotte, has announced he will seek the Republican nomination for Indiana State Representative for the 16th District. Kallenbach, 64, is a graduate of Purdue University and the Indiana University School of Law. In 1986 he was appointed Jasper County prosecutor, a position he held until 1990. During his tenure as prosecutor, Kallenbach was appointed Special Assistant United States Attorney to investigate and prosecute drug trafficking in Northwest Indiana. He first opened a legal practice in Demotte in 1982 and is now senior partner in the Kallenbach, Burkhart and Waddle law firm.

received a quote of \$3,800 from Alan Ash for some excess lab equipment he would like to purchase from the town. The council made a counter offer of \$4,000 based on what the equipment is worth according to Blue Book prices. The council agreed to repairs to a concrete structure and the purchase of a new muffin monster this coming summer for the wastewater treatment plant. No action was taken on Molitor's previous request to have the assistant superintendent work different hours during the storm water drain construction project.

The council and clerk are planning to clean, trim and mulch Toner Park on Main St. Saturday, April 24, at 1 p.m. Anyone in the community who would like to help is more than welcome.

The annual town wide clean-up day has been set for Saturday, May 22, from 8 a.m. to 1 p.m. Dumpsters will be located at 215 Maple St. for the clean-up project. This service is for residents of the Town of Kewanna only and operates on a first come, first serve basis. A list of items prohibited in the dumpsters will be published two weeks prior to the clean-up.

The town will be hiring summer mowing help. Applications can be obtained at the clerk-treasurer's office.

Pay requests for the storm water drain construction project were approved for payment as were other claims against the town, water and sewage works.

Offenberger seeks Caston school board seat

Andrea (Andi) Offenberger is seeking a seat on the Caston School Board.

Andrea and her husband of 17 years have two children, Brittney, age 16, and Dustin, age 13. Her children is the reason for her decision to seek a seat on the Caston School Board. She wants her children (as well as others in the school district) to continue to receive the strong education that she knows the school has to offer, along with extra curricular activities that they so badly need to build life skills.

Andrea is a 1986 graduate of Caston and has spent most of her life living in the Caston School District. She and her family live on a portion of the family farm which is a Homestead property (belonging to the family for 120+ years).

According to Offenberg, it means a great deal to her to be able to continue that tradition and continue the family roots that are planted on the family farm.

She feels that the experience she has gained as a Chrysler executive will help her make sound financial decisions during difficult economic times. All businesses, including Caston School, will continue to be faced with these difficult decisions, and she feels the school needs to be best prepared to handle them without placing the students' education or extra curricular activities at risk.

Kewanna/Union Township Public Library News...

Kewanna-Union Township Improvement Endowment Fund

If you have not heard of this I want to let you know about it. This is an endowment fund for the local community with the Fulton County Community Foundation.

An endowment fund is a fund in which the principle is invested and is sacred. Only the earnings of the fund are distributed for granting by the community. It is a fund that continues to earn money for local causes for ever. Local community leaders determine how the earning will be spent.

If the local community can raise \$20,000.00 the Fulton County Community Foundation will provide a match of \$10,000. Thus a \$30,000.00 Kewanna-Union Township Endowment Fund is available. \$15,000 would be set aside for the Endowment Fund investment and \$15,000 will be available for immediate granting to support local activities.

The Kewanna-Union Township Endowment Fund is one of the best ways to get and to assist the local community now and in the future. It is a fund that you may want to consider in your estate planning. Leave a legacy that gives for ever. You also get an immediate tax deduction. All contributions are tax deductible. Your money stays with the local community. 100% invested for the local community.

If you are interested or would like additional details call 574-224-3223 or 877-432-6423 or E-mail fulton@nicf.org

Purpose of the library - 12 steps. I will be reviewing these in the next few articles.

The first purpose of the library is to inform citizens. Libraries make democracy work by proving access to information so that citizens can make the decisions necessary to govern themselves. The public library is the only institution in society whose purpose is to guard against the tyrannies of

ignorance and conformity, and its existence indicates the extent to which a democratic society values knowledge, truth, justice, books, and culture.

Local authors

We would like to call for books from all local authors. If you have written a book or articles for newspapers or magazines we would like to know about it. At some point we would like to have a Kewanna-Union Township author day at the library. We need to celebrate all local authors. Often times we do not realize the talents and contributions of local people. All need to be honored and encouraged to continue to write and share ideas.

Library volunteers - The library is always looking for friends of the library volunteers. If you have a talent that you would like to share or just like to work for a few hours a week at the local library let us know. We will try and develop a program that will meet your talent and the needs of the local library. We are always looking for programs for children, young adults and adults.

If you would like to be a "story person" let us know. The "story person" would have a set time that they would read stories to children. Time would be about 30-45 minutes. This would be a set time and children would be invited to come and sit around the story person to hear stories.

We are disappointed to see and hear that the GED program at the library may be canceled in the next few weeks. We are hopeful that something will happen to keep the GED program active here.

I would also like to let the public know that we are now in the process of searching for a new director.

The director is responsible for planning and directing the operations of and management of the library including material collection, programs and services, financial resources,

Thank You...

The family of RUTH NELLANS URBIN would like to give a special Thank You to the Staff of Wynnfield Crossing for taking care of her for the past eight years and to all of the new friends she made there. Hope Hospice Staff were there to keep her comfortable and support for us. Hickory Creek Staff for taking care of her during her last two weeks. And to Dr. Ken Hoff for his caring and support.

Also, the Rev. Steven McPeck for his caring and wonderful service. The ladies from Kewanna United Methodist Women, besides being wonderful friends prepared the dinner for after the service.

We appreciated from all our friends the flowers, calls, cards, food and Memorials that we received in her honor.

To Kyle Rans of Harrison-Metzger & Rans Funeral Home, you kept us on time to do what we had to do.

personnel and physical building maintenance.

The library director also implements the mission and goals of the Library as set and directed by the Library Board. This position is now open.

The Library director position requires a Bachelor's degree and additional 15 hours of graduate courses in Library Science. A Library Director must have management and leadership skills; knowledge and understanding of the principles, methods and practices of public library operations, comprehension of current library automation technology, general bookkeeping and accounting knowledge; and interpersonal and communication skills.

This is a great opportunity for a person interested in working in a small community with great potential for leadership and community involvement.

If you are interested send a cover letter, resume and three professional references. Send to Library Board President, Kewanna-Union Township Public Library, P.O. 365, Kewanna, IN., 46939.
