Toner Park clean-up, June 10

The Town of Kewanna is asking volunteers to help clean-up A.D. Toner Park on Main Street (next to the post office) at 5 p.m. Tuesday, June 10. Volunteers are asked to bring their gardening gloves, shovels, rakes, pruners, and a little elbow grease. In case of rain or inclement weather, the clean-up will be held at 5 p.m. Wednesday, June 11.

+++

Local curfew to be enforced

According to Kewanna town marshal, Dennis Price, his department will be enforcing the town's curfew ordinance.

The ordinance states that a child 15, 16 or 17 years of age can not be in a public place between the hours of 1 a.m. to 5 a.m. local time on Saturday or Sunday; nor after 11 p.m. Sunday, Monday, Tuesday, Wednesday or Thursday and before 5 a.m. Monday, Tuesday, Wednesday, Thursday or Friday.

Children under 15 years of age must be off the streets and home by 11 p.m. and cannot be out in the morning before 5 a.m. any day of the week unless they are with a parent, guardian or custodian.

The only exceptions to these curfews are going to or from work, a school sanctioned activity or religious event.

+++

Use of consumer fireworks limited by law

Kewanna residents are reminded that the hours in which consumer fireworks can be ignited in Kewanna are set by local ordinance.

Fireworks can be set off between the hours of 5 p.m. (local time) and two hours after sunset on June 29 and 30, July 1, 2, 3, 5, 6, 7, 8 and 9 and between the hours of 10 a.m. and 12 midnight on July 4.

The lighting of fireworks is also permitted between the hours of 10 a.m. December 31 and 1 a.m. January 1.

Violators will be fined in the amount of \$50 for the first offense, \$100 for the second offense and \$300 for the third offense.

Residents are also reminded that you must be 18 years of age or accompanied by a parent or guardian to discharge consumer fireworks.

Diane Tesler to exhibit work in Kentucky

Local artist Diane Tesler will be featured in an exhibit scheduled to open June 20 at Capital Gallery, 312 Lewis St., in historic downtown Frankfort, Kentucky. The exhibition, titled Changing Seasons/Paintings & Monotypes, will run through July 31. An artist's reception will be held at the gallery from 5 to 8 p.m. Friday, June 20. The reception is free and open to the public. Regular gallery hours are 10 a.m. to 5 p.m. Tuesday through Saturday.

Diane Tesler has been exhibiting with Capital Gallery in Frankfort since its opening in 1981. Each exhibit has been another step in Diane's adventuresome development of her painting and her life as an artist. Featured in this exhibition will be 20 new oil paintings and monotypes by this very prolific, accomplished artist who combines a full teaching schedule with a heavy painting and exhibition schedule.

Diane grew up in Louisville and has lived in New York, San Francisco and Hawaii and now splits her busy year between Alexandria, Virginia, and Kewanna. Winters are spent in Alexandria where she is a sought-after teacher of classes and workshops at the Art League School and summers are spent painting plein aire in rural Kewanna and developing her newer interest in the monotype.

Her paintings revolve around the ever-changing landscape including the weathered buildings in the rural areas and small towns of Indiana. Her color and viewpoints are exceptional and poetic and sometimes startling in subject matter. The monotypes are explorations of the myriad ideas she gleans from the daily trips into the countryside.

Another aspect of Diane's artistic life has been the development of an art community in her adopted town of Kewanna. First an old, disheveled house was purchased and refurbished as a summer home and studio; then a cornerstone building on Main Street that was about to be demolished was bought and stabilized, eventually becoming a teaching studio and printing lab; and most recently a bungalow on the demolition list was bought and made into a B&B for students and friends who come to paint with her and attend her annual art show in October. Diane's website is dianetesler.com.

SIXTY YEARS AGO June 3, 1948

Hugh Van Meter, 86, well known retired farmer and father of Charles and George Van Meter, died Sunday morning at his home. He had been in failing health for some time and had submitted to an operation at Woodlawn Hospital several weeks ago.

Loree Graham entertained a number of friends at a party in her home Thursday in celebration of her birthday. Guests included Donald Smith, Marietta Smith and Jerry Seece of Leiters Ford, Ann Costello, Maxine Larkin, Carol Willoughby, Betty Knicker, Carole Harris, Myrna Willoughby, Carolina Renee, Gloria Bowman, Joan Smith, Patty Lebo, Paul Bradsley, Billie Graham, Bob Hubeny, Jimmy Aldridge, Bob Nelson, Bill Fisher, Ronnie Hamman, Vernon Clark and Don Carr.

The Henderson gas station at the corner of State Roads 14 and 17 changed hands June 1. Margaret Henderson, who has operated the station for the last three years, has sold it to Mr. and Mrs. Walton Gibson who have had a grocery and gas station at the crossing of State Roads 16 and 17.

The Hirsch DePoy Elevator in Grass Creek has been purchased by Adam Sommers and will be known in the future at Sommers Grain Co.

The remains of Captain Richard Long, former Kewanna boy, are

being returned home for burial aboard the Army Transport Lt. George W. G. Boyce from the South Pacific. Captain Long was killed in action on New Guinea October 2, 1944.

FIFTY-FIVE YEARS AGO June 5, 1953

The Kewanna Fire Department was called to the Fred Fisher home west of town Monday afternoon to extinguish a fire, which destroyed a chicken house valued at \$300. The cause of the fire was not determined. There was no electricity to the building and it had not been used this season.

Tommy Kough underwent a tonsillectomy in the Kelsey Clinic Monday.

Ruth Kay Murray, daughter of Mr. and Mrs. Rex Murray, is among the students who are on the tentative list of graduates for Indiana University's commencement June 15. She will receive an A.B. degree in French.

Eileen Larkin arrived home Friday from New York City after being released from the hospital where she submitted to an appendectomy while on a trip through the east with the Kewanna High School senior class. Mrs. Frances Montgomery of Lucerne and Mrs. Tom Larkin, her mother, accompanied her home.

Sandra Hinderlider and Joan Engle were co-hostesses at a party Sunday afternoon at the

Community Church at Bruce Lake Station. Harold Foust and Sharon Bridgeman were the guests of honor. The party was a surprise for Harold who was celebrating his birthday and a farewell for Sharon who will leave soon for her new home in Tilton, Illinois.

Announcement has been made of the engagement of Miss Lula James, Grass Creek, and Aron Ousley, Fulton. Miss James is the daughter of Mr. and Mrs. Ward James and a graduate of Grass Creek High School.

Mary Nell Masteller, daughter of Mr. and Mrs. Bob Masteller, celebrated her ninth birthday Tuesday afternoon with a party. Ten of Mary Nell's friends were present and the afternoon was spent playing games.

FIFTY YEARS AGO June 5, 1958

Jim Walters, son of Mr. and Mrs. Vachael Walters, Rt. 1, Kewanna, came across a clump of clover Friday while picking up barbed wire at their farm. He noticed several four-leaf clovers and started to pick them. The final total was 82 four-leaf clovers, 28 five-leaf, and five six-leaf, all found within six feet of each other.

A wild ride of over half a mile came to an end when a 1955 Ford hit the side of the new Arnold Adams home in Kewanna Thursday, May 29, narrowly missing LuAnne Adams, who was typing in her bedroom. Thomas Franklin Hilkert, 84, was the driver of the auto which went out of control when the accelerator stuck.

Mrs. Dora Maude Moon, 70, wife of Charles Moon died Thursday night, May 29, at Woodlawn Hospital after a lingering illness. Survivors include two daughters, Helen Woolington of here and Dorothy Moon of Summit, Illinois, and one son, Herman Henry Moon of Dallas, Texas.

USDA announces deadlines

Kenneth Culp, State Director of the U.S. Department of Agriculture Farm Service Agency (FSA) in Indiana, reminds Indiana livestock producers they have until July 18, 2008, to enroll in the 2005-2007 Livestock Compensation Program (LCP) and Livestock Indemnity Program (LIP). Signup began on Sept. 10, 2007, for the two programs that provide aid to livestock producers who suffered eligible livestock or livestock feed losses between Jan. 1, 2005, and Dec. 31, 2007, because of natural disaster. LIP provides payments to eligible owners and contract growers who incurred the death of livestock because of a natural disaster. LCP provides payments to eligible livestock owners and cash lessees who suffered feed losses or increased feed costs because of a natural disaster. More information about LCP and LIP is available online at <http://disaster.fsa.usda.gov>. For more information on FSA programs, visit your local USDA Service Center or the agency's Web site, <http://www.fsa.usda.gov>.

IDEM announces improved advisory system in time for beach season

Up-to-date information offers easy access to monitoring data. A day at the beach is a fun summertime activity but nothing can spoil a family outing like finding an advisory sign upon arrival. Now that Lake Michigan's beach season is gearing up, the Indiana Department of Environmental Management (IDEM) is taking action to prevent such occurrences from happening. IDEM has implemented the online BeachGuard software system to display information about beach closures and beach sampling results for monitoring locations along the coast of Lake Michigan. It's a free Web-based system that allows the public to access information from their home computers ahead of time to see if a particular beach has an alert. IDEM's Web address is <http://idem.IN.gov/beaches>.

"We're very excited to be able to use technology to help Lake Michigan beachgoers plan their summer activities," said Commissioner Thomas W. Easterly. "A lot of people will avoid being disappointed just by checking their computers before heading to beaches." Beach waters are off limits when water samples analyzed for *Escherichia coli* (*E. coli*) are found in abnormally high numbers. "Lake Michigan beach advisories are issued when bacteria levels reach the point where it would be unhealthy for

people to be in the water," said Danielle Barnett, IDEM's Beach Grant Program coordinator. "When the levels are high, people are at risk of becoming ill from contact with the water. Skin cuts or wounds as well as swallowing the water can increase the chances of illness."

Lake water can become contaminated due to a variety of reasons, including storm water run-off in rural and urban areas and discharge from combined sewer overflows. If bacteria levels are high, full body contact with the water has the potential to cause illness. Washing hands or using hand sanitizer after swimming offers extra protection. It is also recommended that birds not be fed as the animals contribute to high bacteria.

"We don't have that many days when bacteria levels are so high that they are problematic but when they happen, this Web site will be a useful tool," Easterly said. "It's a good idea to check the Web site so that you can plan when and where you want to enjoy the beach with the family."

FSA acreage reports due

The annual requirement of reporting to the FSA office can be referred to as crop reporting, acreage reporting, or crop certification. Filing an accurate and timely report for all crops and land uses, including failed acreage, can prevent loss of benefits for a variety of Farm Service Agency programs.

Conservation Reserve Program acreage must be reported to receive annual rental payments. And, crop acreage for Non-insured Crop Disaster Assistance Program (NAP) must also be reported.

Crop reports, form FSA-578, Report of Acreage, must account for all cropland on a farm, whether idle or planted and planting dates are also required. Producers need to file their acreage reports by July 15. Be sure to telephone the local FSA office to schedule an appointment. For Fulton County, this number is 574-223-3220. Reports filed after July 15 will be assessed a late-filing fee.

Prevented planting needs to be reported no later than 15 calendar days after the final planting date. The normal ending planting date for corn is June 5 and for

soybeans is June 20. Producers must file form CCC-576.

Reports of failed acreage must be filed before disposition of the crop, and producers must be able to establish to the satisfaction of the county committee that the crop failed and was prevented from being replanted through the normal planting period because of natural disaster conditions. Again, form CCC-576 is required.

INDOT urges caution when driving near pavement striping crews

Crews will be painting road markings throughout summer

LAPORTE, Ind. – The Indiana Department of Transportation (INDOT) urges drivers to be extremely cautious around wet paint on the road as LaPorte District crews have started applying pavement markings. It's necessary for INDOT crews to re-stripe most roadways across the district each summer due to the effects of salting and plowing during the winter, as well as normal wear and tear. An estimated 3,500 lane miles in the LaPorte District will be striped on favorable weather days now through October 2008.

INDOT uses fast-drying, water-based paint to indicate the centerlines, edge lines and other roadway markings. Because road striping is a moving operation, drivers should look for vehicle-mounted message boards with signs indicating "Caution: Wet Paint," flashing lights and very fresh-looking paint on the roadway. On some roads, striping crews will use escort vehicles ahead of and behind the striping truck. Drivers should use extreme caution and patience when they encounter a striping crew. When possible, the striping crew will

move off the roadway and allow vehicles behind the striping operation to pass.

By using common sense around striping crews, drivers can avoid getting fresh white or yellow paint on their vehicles. When a driver encounters a road striping crew, he or she should use a generous following distance, avoid driving over the newly painted markings and never recklessly pull in front of or pass a striping operation. If drivers do get paint on their vehicles, they should attempt to wash the paint off as quickly as possible. Fresh paint will often come off easily with soap and water. However, after it dries only a specialist can remove it.

INDOT urges all drivers to use caution when traveling through highway work zones, for the safety of themselves, their passengers and our Indiana highway workers.

Town & Country Chatter...

by: Julie Brown (574) 653-2451

Ruth Cogdill arrived at the home of her daughter and son-in-law, Linda and Gordon Ligocki, Friday, May 22. She was their guest for five days over the Memorial Day holiday. Saturday, May 23, Ruth and Linda had a busy day. In the morning, they drove into Winamac to buy flowers for the cemetery. At noon, they headed to Rochester where they attended Julius Von Uhl's circus at the Fulton County fairgrounds. Linda and her family have been friends of Julius, his wife, Linda, and daughter, Vicky, for several years. The outing to the circus had a happy twist as Ruth and Linda sat by Cora Lynn Clemans and her daughter and grandchildren, Kim Sutton, Brendan, Riley and Katelyn. The families enjoyed talking over old times in Kewanna. After the circus, Ruth and Linda did some shopping at Wal-Mart and had lunch at the Taco Bell restaurant before driving to Kewanna where they decorated five generations of graves at the cemetery. In the evening, Ruth, Linda and Gordon drove to Monterey to enjoy a bluegill dinner at the Sportsman's Bar. The cooking was special as it was done by Ruth's granddaughter, Renata, who works at the restaurant. Sunday and Monday, May 25 and 26, were family days for Ruth, Linda and Gordon as they were spent outside on the deck with delicious meals cooked on the grill. Memorial Day, Ruth, Linda and Gordon were joined by Renata and her children, Doran, Lillian and Roan and family friend, Dale Fleming.

Nancy and Leonard Evers had company Wednesday, May 28. Paying them a pleasant visit and going out to lunch with them were Nancy's sister-in-law, Ruth Whiteside of Greenwood, and Ruth's daughter and son-in-law, Linda and Mike Davis of Indianapolis.

Earl and Mary Bangel and Linda traveled to Indianapolis Wednesday. They had an enjoyable time attending commencement exercises at Franklin Central High School. The Bangel's grandson, Kevin Bangel, was among the graduates who received their diplomas. Kevin is the son of Theresa and Bruce Bangel.

Ronald Miller of Ft. Lauderdale, Florida arrived Thursday, May 29, for a month-long visit with his mother, Helen Miller.

Don and Pauline Scales were in Fulton Friday, May 30. They enjoyed visiting with their daughter, Phyllis Koontz of Rochester, over lunch at the Mill Creek Restaurant. Afterward, Pauline accompanied Phyllis to Warsaw.

Karen Kruger of Brownsburg was a weekend houseguest of her mother, Mary K. Williamson at Winamac.

Tom and Linda Garner had company Friday. Staying as their overnight houseguest was their granddaughter, Kaylyn Young of Twelve Mile.

Mary K. Williamson was assisted by her daughters, Karen

Kruger and Kay Brown, at her annual garage sale Saturday morning, May 31. Other family members stopping by for a visit and to help were Karen's daughter and her family, Lori and Gene Harding, Annabelle and Graham, of South Bend; Kay's husband, Jerry; and Kay and Jerry's children, Mike Brown and Sue McKinney.

Mathilda Lamb had working visitors recently. Arriving Saturday for a five-day stay were her daughter and son-in-law, Joan and Mike Gallagher of Wilmington, Ohio. The trio enjoyed a wonderful visit while planting and transplanting flowers around the yard.

Steve and Randi Neidig of Bourbon hosted a family cookout Saturday in honor of Steve's 60th birthday.

Linda Garner and Kaylyn Young were in Rochester Saturday evening. They met Kaylyn's mother and sisters, Missy Young, Brianna and Stevanna, for an outing. Afterward, Kaylyn accompanied

her mother and sisters home.

Kay and Jerry Brown had a couple of callers Sunday morning, June 1. Joining them for a visit and breakfast after church were Mary K. Williamson and Karen Kruger.

Hugh and Maryellyn Tennent were in Kokomo Sunday. They had a nice time visiting with Hugh's brother and sister-in-law, Nat and Jennie Tennent.

Stacy Ritter of Rochester was the guest of honor at a baby shower Sunday. Among those bringing gifts and some advice were her grandmother, Nancy Evers; her aunts, Janet Yocum of Rochester, Diane Evers of Indianapolis and Maria Evers; and her aunt and cousins, Kandi Evers, Lauren and Amanda.

Jean and Louis Bangel and Joyce of Winamac hosted a wiener roast Sunday afternoon.
