**Fulton County Indiana** BEGINNING 10:00 am, 9/5/2008 **Commissioners Room TIME** STATE OF INDIANA **Fulton County** 

Pursuant to the laws of the Indiana General Assembly, notice is hereby given that the following described property is listed for sale for delinquent taxes and/or special assessments. The county auditor and county treasurer will apply on or after 8/19/2008 for a court judgment against the tracts or real property for an amount that is not less than the amount set out below and for an order to sell the tracts or real property at public auction to the highest bidder, subject to the right of redemption. Any defense to the application for judgment must be filed with the Fulton County CIRCUIT Court before 8/19/2008. The court will set a date for a hearing at least seven (7) days before the advertised date of sale and the court will determine any defenses to the application for judgment at the hearing. Such sale will be held 9/5/2008 at the Commissioners Room and that sale will continue until all tracts and real property have been offered for sale.

Property will not be sold for an amount which is less than the sum of:

(A) the delinquent taxes and special on each tract or item assessments of real property; and

(B) the taxes and special assessments on the real property that are due and payable in the year of the sale, whether or not they are delinquent; and

(C) all penalties due on the delinquencies, and

an amount prescribed by the county auditor that equals the sum of:

twenty-five(\$25) for postage and publication costs; and

any other costs incurred by the county that are directly attributable to the tax sale; and any unpaid costs due, under subsection (b), from a prior tax sale; and

The 2007 pay 2008 taxes have not been determined as of the date of this notice. The amounts listed for the minimum bids include an estimate of the entire 2007 pay 2008 taxes. The estimate was calculated by adding the 2006 pay 2007 first and second installments together and then adding an additional five percent (5%). There may be additional taxes due resulting from actual amounts calculated for 2007 payable 2008. If the actual 2007 pay 2008 taxes are calculated at the time of the sale, the minimum bids will be changed to reflect the actual amounts.

To remove a property from the tax sale the

entire Amount for Judgment must be paid. No property listed below shall be sold if, at any time before the sale the Total Amount for Judgment is paid in full. If the real property is sold in the tax sale, the amount required to redeem such property will be 110% of the minimum bid for which the tract or real property was offered at the time of sale, as required by IC 6-1.1-24-5 if redeemed not more than six (6) months after the date of sale, or 115% of the minimum bid for which the tract or real property was offered at the time of sale, as required by IC 6-1. 1-24-5 if redeemed more than six (6) months after the date of sale, plus the amount by which the purchase price exceeds the minimum bid on the real property plus ten percent (10%) per annum on the amount by which the purchase price exceeds the minimum bid on the property. All taxes and special assessments upon the property paid by the purchaser subsequent to the sale, plus 10% per annum interest on those taxes and special assessments, will also be required to be paid to redeem such property. In addition, IC 6-1.1-25-2 (e) states the total

amount required for redemption may include the following costs incurred and paid by the purchaser or the purchaser's assignee or the county before redemption: (1) The attorney's fees and cost of giving notice under IC 6-1.1-25-4.5. (2) The costs of title search or examining and update the abstract of title for the tract or item of real property. The period of redemption shall expire one year from the date of sale for a property sold on the tax sale. The period of redemption may expire one hundred twenty (120) days from the date of sale for a property not sold in the tax sale if the county intends to pursue title to the parcel. If the tract or item of real property is sold for an amount more than the minimum bid and the property is not redeemed, the owner of record of the property who is divested of ownership at the time the tax deed is issued may have a right to the tax sale surplus.

The Auditor and Treasurer specifically reserve the right to withhold from the sale any parcel which has been listed in error, or which otherwise become ineligible for sale either prior to 9/5/2008 or during the duration of the sale.

This notice of real property tax sale, and the tax sale itself are undertaken and will be conducted pursuant to the requirements of the laws of the State of Indiana which regulate the sale of land for delinquent taxes, pursuant to I.C. 6-1.1-24-1 et seq.

The Auditor's Office does not warrant the accuracy of the key numbers or street addresses published herein and any misstatement in the key number or street address does not invalidate an otherwise valid sale.

The library will be hosting a performance of The Story Peddlers as the ending for the summer reading program. The performance will be Saturday, August 2, 2008 at 10:00 am in the basement of the library.

Bob and Kathie Myers are from Elkhart and gave a performance at the library three years ago. "A husband and wife team whose backgrounds are as diverse as the stories they tell. Bob was an electronic engineer and computer specialist while Kathie was a librarian with a children's degree in library master's science."

"Storytelling is their first love. Bob and Kathie work as a team, improvising and weaving their tales singly, and with each other, to communicate history, heritage, values and tradition. Drawing on their love of good books, they interest children in reading. Using voice characterization, participation and props, they offer true multimedia performance entertainment to any audience.
