## Festival Dates Set

Tom Mate reported that the dates for this year's festival will be Sept. 29 & 30 and Oct. 1 when the Kewanna town council met in regular session Thursday, May 4. The name of the event was changed to Kewanna Fall Festival to accommodate all autumn activities, rather than just Halloween. Mate anticipates having more adult rides and a circus performance this year. All local residents and businesses are welcome to participate in the event.

Dave Clauson, Fulton County Emergency Management director, spoke to the council concerning NIMS (National Incident Management Systems) training requirements. All town and township officials, law enforcement officers, volunteer firemen, first responders, emergency medical workers, and utility workers will be required to complete the training by Sept. 30 as a condition of receiving federal preparedness funding assistance. This will be an ongoing requirement as new personnel come on board. Tony Pesaresi noted the fire department has already started the necessary training. He will also set up a meeting to help local officials complete the training requirements.

Pesaresi gave the monthly fire department report noting two town calls, both medical, and four township, also medical. Training dealt with driving attitudes. He also gave an update on the addition to the fire station.

Tari Bateman, grant writer for the proposed addition to the local library, presented a resolution for the council's signature stating its approval of the feasibility study to evaluate options for expanded library facilities. The council president also signed a disclosure report.

Marshal Dennis Price submitted his monthly report, which included one traffic arrest, four traffic warnings, five criminal arrests, two accident reports, 43 calls answered, one vehicle check, and 1,573 miles patrolled. Price attended a seminar at Woodlawn Hospital on weapons of mass destruction. He also reported that the department has been awarded a grant from Emergency Management that will provide a new computer for the department. The council asked the marshal to talk with the town attorney and county judicial officials about enforcing town ordinances, especially the ones dealing with curfews and property clean up. He also presented new rules, regulations and standard operating procedures for the department for the council's consideration.

A written report was received from the town superintendent who noted that all annual water and soil testing results for the sewage treatment plant have been received and forwarded to the state. The garage at the treatment

## Local Family on the Run

The Smith Family – aka Mark, Kelly, Kara and Zachary – participated in the First Annual Brevin and Friends Walk/Run for Riley last Saturday morning at North Manchester. The event was held in memory of Brevin Charles Sautter and the proceeds benefited Riley Hospital for Children in Indianapolis.

Brevin was born May 4, 2004, and was then quickly transported to Riley Hospital where he lived his entire life in the Newborn Intensive Care Unit. After prevailing through many difficult procedures, Brevin went home to be with Jesus on September 28, 2004.

Because Riley has such a special place in the hearts of Brevin's parents, Nathan and Carrie Sautter, they dreamed of organizing an annual walk/run in honor and memory of Brevin and all of the other children who have been helped or are being treated at Riley. With the help of many friends and family members, Brevin's Walk/Run for Riley was created not only to be an event to raise money to benefit Riley, but also as a time of remembering and honoring the special children in everyone's life who have been assisted by Riley. This is one of the reasons the Smith family decided to participate in the walk/run as Kara was a Riley out-patient for a couple of years.

Awards were given to the first place male and female finishers in several age groups. Kelly and daughter, Kara, completed the run in first place for their age groups; Zachary came in second, and Mark, sixth. A total of 55 walkers/runners participated and approximately \$13,000 was

The mowing season is now underway and the irrigator was made ready to put in service for the summer. Town employee, Brian Shafer, attended a three-day seminar in Columbus. raised for Riley Hospital. All paid entries received a "Brevin & Friends" t-shirt and bracelet. Several participants submitted their "Riley Experience" to be shared in the memory tent the day of the walk.

Two of the many people who helped organize the event were Steve and Leesa (Plummer) Metzger of North Manchester. Leesa is formerly from the Kewanna area, Wayne Township to be specific. According to Leesa, it took over nine months of planning and preparation to stage the walk/run. Steve and Brevin's father, Nathan, are first cousins and also very best friends as are Carrie and Leesa.

This was the third benefit walk/run that Mark and Kelly have participated in this year and the second for Kara and Zachary. The family has plans for more such events this summer as it provides something the family can do together, benefits a worthy cause and provides much needed healthy exercise.

## MOTHERS.....

### When You Thought I Wasn't Looking

Author Unknown

When you thought I wasn't looking, I saw you hang my first painting on the refrigerator, and I immediately wanted to paint another one.

When you thought I wasn't looking, I saw you feed a stray cat, and I learned that it was good to be kind to animals.

When you thought I wasn't looking, I saw you make my favorite cake for me and I learned that the little things can be special things in life.

When you thought I wasn't looking, I heard you say a prayer, and I knew there is a God I could always talk to and I learned to trust in God.

When you thought I wasn't looking, I saw you make a meal and take it to a friend who was sick, and I learned that we all have to help take care of each other.

When you thought I wasn't looking, I saw you give of your time and money to help people who had nothing and I learned that those who have something should give to those who don't.

When you thought I wasn't looking, I felt you kiss me good night and I felt loved and safe.

When you thought I wasn't looking, I saw you take care of our house and everyone in it and I learned we have to take care of what we are given.

When you thought I wasn't looking, I saw how you handled your responsibilities even when you didn't feel good and I learned that I would have to be responsible when I grow up.

When you thought I wasn't looking, I saw tears come from your eyes and I learned that sometimes things hurt, but it's all right to cry.

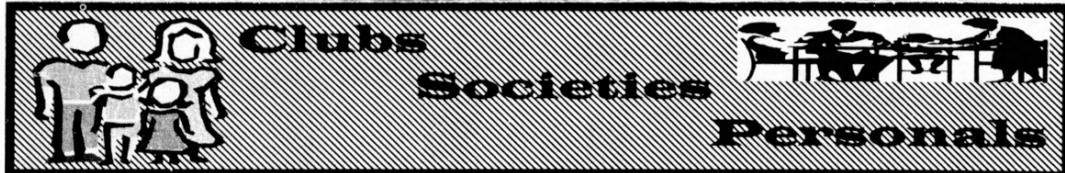

When you thought I wasn't looking, I saw that you cared and I wanted to be everything that I could be.

When you thought I wasn't looking, I learned most of life's lessons that I need to know to be a good and productive person when I grow up.

When you thought I wasn't looking, I looked at you and wanted to say, "Thanks for all the things I saw when you thought I wasn't looking."

Happy Mother's Day!

### The News In Brief

Governor, and motorcyclist, Mitch Daniels has proclaimed May "Motorcycle Safety and Awareness" month in Indiana. Motorists frequently misjudge the approach speed of motorcycles, or fail to see them at all. Studies identify a vehicle violating a motorcyclist's right-of-way as the cause of two-thirds of the multiple-vehicle crashes involving motorcycles.

A public meeting will be held tonight (May 11) at 7 p.m. in the community building of the Fulton County Fairgrounds to discuss the Fulton County Area

Comprehensive Plan. The public is invited to discuss the City of Rochester's and Fulton County's strengths, weaknesses and needs to gain a vision for the future.

Indiana Attorney General Steve Carter continues to defend Indiana's Do Not Call law from legal challenges. Carter attended oral arguments Wednesday, May 3, in front of the U.S. Court of Appeals for the 7<sup>th</sup> Circuit in Chicago as the state defended against the ongoing efforts of three groups challenging the constitutionality of the law.

**Friends are on a Roll**

The first major initiative of the Friends of the Fulton County Parks and Recreation Department, Inc. is the construction of a parking lot, security lighting, pavilion, gazebo and restroom facilities at the Prairie Edge Nature Park. Preliminary designs have been created for the pavilion, gazebo and restrooms. First estimates indicate it will require approximately \$30,000 for the initial development of the park. Plans for the restroom facilities were forwarded to the Indiana Department of Health for approval at the beginning of March. The Friends are approximately halfway toward raising the necessary monies to purchase the materials. Over 600 persons contributed to these building materials by attending the Friends' first fish and tenderloin fry, bake sale and nature sale February 18. Since then, the Friends have received monies from direct mailings, sale of nature pictures, and sale of bricks that will be incorporated in a path to or around the gazebo. With the help of the entire Fulton County community, the Friends hope to raise enough money and in-kind contributions to make Prairie Edge Nature Park a place to be enjoyed and utilized by local residents and their families.

The last fund raising effort before construction begins is a Nelson's Port-a-pit chicken and pork chop dinner to be held Saturday, May 13. Tickets for either the pork chop or chicken are \$5 and can be purchased from any Park Friend or park board member. Advance ticket purchases will be guaranteed from 11 a.m. through 1 p.m. EDT. Friends will be at the Faith Outreach Church parking lot at 1125 E. 9th St., and Rochester Blvd. until 3 p.m. or until supplies run out. In order to get an accurate count, advance ticket purchasers will opt for either the

green pork chop ticket or the yellow chicken ticket.

The Friends are also looking for in-kind donations. If you can build, roof, hammer a nail straight, work with cement and cement blocks or paint, your services will be very much appreciated. You can donate your time and skills for the construction of the pavilion (cement floor, wood supports and shingled roof); restroom facilities (cement block construction with doors, shingled roof and no running water); and the gazebo (wood kit). In addition, since the May 13th fundraiser will likely not net \$15,000, the Friends are still seeking cash donations or brick purchases.

Ruth Cogdill recently enjoyed three days at the home of her daughter and son-in-law, Linda and Gordon Ligocki. Monday, May 1, they celebrated Linda's birthday with a delicious dinner of roasted chicken, baked potatoes and Gordon's famous green beans. Carrot cake topped off the meal. Those attending were Linda's daughter and grandchildren, Renata and Doran, Lilly and Roan; Joe Peterson; and family friend, Dale Fleming.

Don and Pauline Scales had a visitor Tuesday, May 2. Stopping by for a chat in the morning was their son, Bruce Scales of Fulton.

Rita and David Foust had a houseguest last week. Staying with them for a couple of days was Rita's cousin, Jean Lint of Barstow, California.

Ruth Cogdill and Linda Ligocki were in Winamac Tuesday to do some shopping. In the evening, Linda taught her watercolor class. Linda's students have had such a wonderful time taking the class that they have asked Linda to continue it through May and June.

Tom LaFollette was in Rochester Wednesday, May 3, to attend a meeting on the proposed ethanol plant for the area.

Helen Whiteman had a working visitor Wednesday. Arriving in the evening to mow her yard and join her for supper was her son, Kevin Whiteman of Pulaski.

David and Rita Foust enjoyed the company of more family Thursday, May 4. Coming from Kokomo for a visit were Rita's cousin and his wife, John and Nancy Courts.

Lois Wilson had houseguests over the weekend. Arriving early Friday, May 5, were her son and daughter-in-law, Dennis and Susan Wilson of Greensburg. Shortly upon their arrival, Lois, Dennis and Susan headed for Rensselaer and a visit with Lois' sister, Jean Babcock. (Jean has been staying at a rehab center while recovering from surgery.) She had improved enough that she was able to join Lois, Dennis and Susan on an outing to check out her home and take care of a couple of errands. After returning to Kewanna in the evening, Lois, Dennis and Susan took care of a few chores around the house before heading into Rochester to do a little shopping and "grab" a bite to eat.

Barb and Tom LaFollette had a busy day Saturday, May 6. They began by serving a breakfast of

sausage gravy, biscuits and scrambled eggs to the members of the Fulton County 4-H Horse and Pony Club. Then it was up to Michigan City to attend their granddaughter, Rebecca LaFollette's, first communion at Queen of All Saints Church. Following her confirmation, Rebecca and her parents and siblings, Nita and Chris LaFollette, Michele, Michael, Elizabeth and Thomas, were joined by Barb and Tom for a celebratory dinner at Don Pablos restaurant. The family then traveled to Hobart to check on the construction sites where Chris' company has been working. The LaFollettes concluded their day with some sweet treats from Dairy Queen.

Mathilda Lamb returned home Saturday following a two-week stay with her son and daughter-in-law, Wayne and Cathy Lamb in Peru. (She had been their houseguest while recuperating from a recent illness.) Serving as her chauffeurs on the return trip were her daughter and son-in-law, Joan and Mike Gallagher of Wilmington, Ohio. The Gallaghers remained overnight Saturday and took care of several chores around the house and yard while they were here.

Tom and Linda Garner had company Saturday. Joining them for a visit were their daughters and their families, Missy and

Steve Young, Trey, Brianna, Kaylyn and Stevanna of Twelve Mile and Amanda Wassermann and Zach of Valparaiso. Zach stayed as Grandma and Grandpa's overnight houseguest.

Helen Whiteman traveled to Terre Haute Saturday. She had a wonderful time attending the college graduation of her great-granddaughter, Taureen Whiteman, from Indiana State University. Taureen is the daughter of Doug and Robin Whiteman of Winamac.

Pauline and Don Scales had a couple of callers Saturday. Stopping by late in the day for an exciting and fun visit were their daughter and great-grandson, Linda Garner and Zach Wassermann.

John and Pam Agnew of Rochester and Virginia Agnew were in Munster Saturday to attend the first communion of their granddaughter and great-granddaughter, Serena. Serena is the daughter of Bob and Vanessa Plantz. After the service, they went to the Plantz home for a luncheon around the pool. Also attending the event were Kim and Jeff Hunter of Rochester and Fred and Molly Plantz and Caleb of Indianapolis. Everyone enjoyed the occasion.

Following church services Sunday morning, May 7, Lois Wilson was treated to an early Mother's Day dinner by Dennis and Susan Wilson. The family

had a nice time marking the day with lunch at Lynn's Coffee Shop.

Jerry and Kay Brown had company Sunday. Stopping by for a visit were their daughter and granddaughter, Angie Smith and Kaelee, and Angie's grandson, William. The highlight of William's visit was riding one of the tractors for the first time.

Bea Ann Clark of Logansport was a Sunday afternoon and overnight houseguest of her sister, Betty Leazenby. During her stay, she also stopped by to visit with her sister and brother-in-law, Barb and Jon Gast.

Mathilda Lamb had a couple of working visitors Sunday. Coming over in the afternoon to take care of several chores around the house and yard were her sons, Bill Lamb of Ft. Wayne and Wayne Lamb of Peru.

Linda and Tom Garner and Zach had company Sunday. Coming for a visit and to take Zach home were his parents, Don and Amanda Wassermann.

Helen Whiteman had several visitors Sunday. Her children and several grandchildren took care of catching up on all the inside and outside chores.
