Trail of Courage, September 17-18

The 30th annual Trail of Courage Living History Festival will be held September 17 and 18 on the Fulton County Historical Society (FCHS) grounds north of Rochester.

The festival incorporates newly uncovered history every year in its presentations of pre-1840 mid-America. The FCHS combines the genealogy of the Potawatomi Indians and the settlers who lived in Fulton County and northern Indiana in the early 1800s with the rendezvous events, stage programs, historic canoe landing and fur trade skit on the Tippecanoe River. Admission is $6 for adults, $2 for children six through 11 and free for children age five and under.

The Voyageur Camp will be larger this year with canoes from Ouabache Valley Frontiersmen, Ouitenon Brigade, the Kankakee Alliance and individuals coming from as far as Wyoming. Some of these groups made the trip in 1992 from the Trail of Courage at Rochester to the Feast of the Hunters Moon at Lafayette, which was held the following weekend. This is the first time since 1992 that the events have been back to back, providing an opportunity for the voyageurs to canoe down the Tippecanoe River the week in between. The voyageurs will present the historic canoe landing and fur trading skit held each day, beginning with a parade to the river at 11:30 a.m.

The public is invited to join in the Indian dances at 2 p.m., which are held in an arena encircled by teepees. The drum will be Three Rivers Drum led by Jim Byler of Goshen. Head dancers will be Rudy Vallejo and his sister, Celerina Masquat Riley of East Moline, Illinois. They are descendants of Chief Shipshewano, the honored Potawatomi family for 2005. Chief Shipshewano was on the 1838 Trail of Death march from Indiana to Kansas. Rudy will also perform the Eagle Dance on stage in honor of all U.S. veterans.

The Trail of Courage includes historic encampments representing the French and Indian War, Voyageurs, Revolutionary War, War of 1812, Western Fur Trade, Plains Indians teepees and a Woodland Indian wigwam village. There is also a re-creation of Chippeway, the first trading post, post office and village in Fulton County in 1832. Food purveyors and traditional craftsmen wet up on wooden booths to demonstrate and sell their wares. Craftsmen also sell pre-1840 trade goods from blankets and in historic merchant tents, offering a variety of items from clothing and jewelry to knives and candles, everything needed to live in frontier days. Canoe rides, muzzle loading shooting, tomahawk throwing contests, and a frontier blab school add to the activities.

Two stages will offer frontier music and dance programs from 10 a.m. to 5 p.m. Since the early 1980s, FCHS has received grants from the Indiana Arts Commission and the National Endowment for the Arts to help pay for the various musicians and dancers. Both Catholic and Protestant worship services will be held at 9 a.m. on Sunday.

Pioneer foods are cooked over wood fires. Visitors can feast on buffalo burgers, chicken and noodles, barbecue, ham and beans, venison, chili, Indian fry bread and tacos, fish and chips cooked in big iron kettles, apple dumplings, corn on the cob, apple sausage and much more, including ice cream, one of George Washington's favorite treats. Local clubs cook and serve these historic foods to fund their projects.

The grounds are handicapped accessible. Free tram rides are available to bring people from the museum, round barn and Living History Village at the north end of the grounds. The museum and village are open with costumed hosts and free admission.

Volunteers can earn free admission to the Trail of Courage by working a half day. To volunteer or for more information, call the museum at 574-223-4436. Free parking is provided on the FCHS grounds and there are plenty of benches available to sit and rest.

Council Appoints Jim Enyart to Plan Commission

The Kewanna town council named Jim Enyart as its representative on the Area Plan Commission when it met Thursday evening, September 1.

Jay Cunningham, a member of the Union Township Board and the local fire department, reported that the fire department has been awarded a FEMA grant for approximately $70,000 to help pay for a new tanker and training. Cunningham suggested an addition to the fire station to accommodate the new tanker, planned for next year, be put on the fast track so it can be completed before the tanker arrives. The existing fire station will also be re-roofed as part of the project. The council approved moving the project to this year and instructed the clerk to advertise for bids.

Keith and Stephanie Crissinger requested that a tree in front of their home be cut as falling branches have already caused extensive damage. The council will get quotes on the work.

Chuck Baldwin reported he is preparing to request that an alley adjacent to his property be closed.

Monthly reports were submitted by the fire chief, marshal and superintendent.

The fire department responded to seven calls during August, one in town and six in the township. Four of these were medical, two accidents and one a gas leak.

The police department issued 19 traffic warnings, made two criminal arrests, investigated one accident, answered 66 calls, filed one gun permit application and patrolled 1,682 miles. Department personnel talked with youngsters at two Bible schools as well as visiting the senior citizens meal site. The marshal and two deputies attend a school at Grissom pertaining to road rules and updates.

The stops signs at Main and North Toner and Main and South Toner were replaced. Ranger Materials, which recently completed a repaving project, has been called to fix some problem areas. A chlorine leak at the north well house was repaired. Three meter heads had to be changed out this month. More meter heads with a new read system were ordered, along with a new handheld reader. A form was faxed to the state to ask them to do an assessment of the town's streets, stop and yield signs. The town may possibly qualify for a grant to replace the signs. New tires were put on the front of the tractor and both pickup trucks. A broken hydraulic hose on the tractor was also repaired. Water samples were pulled and taken to a lab in South Bend for annual testing. Thomas Excavating installed a new lift station to service the Joe Hott residence. Widner and Sons Excavating installed new ground water tile at the sewage treatment site. The Rochester Sewage Department cleaned the contact tank at the sewage treatment site as well as lift stations. The water works pumped a total of 1,576,400 gallons of water during August.

A hearing was held on the 2006 budget. The council will meet at 5 p.m. Monday, Sept. 12, at the town hall to adopt the budget. A special meeting was also set for Monday, Sept. 26, at 5 p.m. to work on plan commission rules and regulations for the town.

The News In Brief

Indiana Attorney General Steve Carter is urging gasoline retailers to exercise reasonable judgment and is asking consumers to continue normal purchasing habits for fuel as we await the impact hurricane Katrina may have on gasoline prices. Wholesale gasoline prices have been steadily increasing following reports that U.S. refining and production operations in the Gulf of Mexico shut-down in preparation for the hurricane.

The Francesville Fall Festival will take place September 16, 17 and 18. The event will offer arts and crafts vendors, flea market vendors, food, free entertainment, 3-on-3 basketball tourney, bingo, parade, auto show, garden tractor pull, rides and games.

The deadline for making applications for the Crop Disaster Program is Friday, Sept. 9. Farmers who may have suffered eligible losses from damaging weather in 2003 and 2004 should visit their Farm Service Agency office by that date. Fulton County farmers may obtain more information by calling 574-223-3220.

After a public hearing on the time zone issue last Thursday, the Fulton County Commissioners voted 3-0 to ask the U.S. Department of Transportation to place Fulton County in the Central time zone. Most residents who attended the meeting favored the Central time zone.

A free business counselor is available the second Wednesday of each month at the FEDCO office in Rochester, 822 Main St. To schedule an appointment for Sept. 14, call 574-223-3326.
