Concert at First Baptist

Nathan Shipley Pierpont of Kalamazoo, Michigan, will appear in concert Friday evening, September 23, at 7 p.m. at the First Baptist Church, 414 E. Main St., Kewanna. Light refreshments will be served following the concert. Admission is free but a love offering will be taken.

Nathan, a songwriter, singer and pianist, began his concert ministry in 1994. He currently serves as Pastor of Worship and the Arts at Northeastern Baptist Church. His wife, Jennifer, along with their children, Elisabeth, Jonathan, Levi and Grace, travel with him.

Nathan's music is a blend of modern and traditional styles that will appeal to young and old. His music is loud enough to hear and quiet enough to enjoy as well as wholesome, positive and hopeful.

Pierpont's song writing and singing are from the heart. He has written one song that features his son while it honors his own grandpa. Another reflects on the ministry of his father's life of service to others. His CD carries a song written to his wife and one written gratefully, believe it or not, to his in-laws. There are songs that celebrate and others that offer encouragement. All will touch your heart and cause you to want to walk closer with the Lord.

"State" Dinner Held

Kewanna summer resident Diane Tesler and her daughter, Pearl Tesler of San Francisco, California, hosted a "state" dinner Thursday evening. Guests included Bob and Sue Rothgeb of Logansport, Wade Bussert, Kara Smith and Joe and Karen Good.

The event was in celebration of Diane's successful acquisition of all 48 "state" glasses. One of her childhood memories is the state glasses her mother collected by purchasing peanut butter. The glasses depict the various state shapes, their capital, state flower, state song, etc. Several years ago she came across an "Illinois" glass in Kansas. After acquiring a couple more glasses, she decided it would be fun to try to collect the whole set, 48 in all as Alaska and Hawaii were not states when the glasses were filled with peanut butter and distributed by a company in Lexington, Kentucky. Over the years the various glasses were found in antique stores in Peru, Richmond, Kokomo, Roann, Southport, Madison, Delphi, Brookston, Swayzee and Mansfield in Indiana, Springfield, Ohio and in Maryland. A couple of them, including the final glass, "Wyoming", were purchased on e-Bay.

Thursday's menu consisted of Texas barbecued spare ribs, Maryland crab cakes, Hawaiian chicken, Pennsylvania Dutch pickled eggs, Arkansas black-eyed pea salad, Kentucky minted carrots, Louisiana yam salad, Missouri wilted country salad, Florida Key lime pie, Virginia apple pudding and Indiana frozen custard. All 48 glasses were displayed, accented with candles, during the meal.

The group also enjoyed playing several rounds of State Bingo, which was not only fun but also educational.

The court will set a date for a hearing at least seven (7) days before the advertised date of sale and the court will determine any defenses to the application for judgment at the hearing. Such sale with be held 10/27/2005 at the Commissioner'S Room, Fulton Co Annex Bdg. and that sale will continue until all tracts and real property have been offered for sale.

Property will not be sold for an amount which is less than the sum of:

(A) the delinquent taxes and special assessments on each tract or item of real property; and
(B) the taxes and special assessments on the real property that are due and payable in the year of the sale, whether or not they are delinquent; and
(C) all penalties due on the delinquencies, and
(D) an amount prescribed by the county auditor that equals the sum of:
  (1) twenty-five($25) for postage and publication costs; and
  (2) any other costs incurred by the county that are directly attributable to the tax sale; and
(E) any unpaid costs due, under subsection (b), from a prior tax sale; and

No property listed below shall be sold if, at any time before the sale, the Total Amount for Judgment is paid in full. If the real property is sold in the tax sale, the amount required to redeem such property will be 110% of the minimum bid for which the tract or real property was offered at the time of sale, as required by IC 6-1.1-24-5 if redeemed not more than six (6) months after the date of sale, or 115% of the minimum bid for which the tract or real property was offered at the time of sale, as required by IC 6-1. 1-24-5 if redeemed more than six (6) months after the date of sale, plus the amount by which the purchase price exceeds the minimum bid on the real property plus ten percent (10%) per annum on the amount by which the purchase price exceeds the minimum bid on the property. All taxes and special assessments upon the property paid by the purchaser subsequent to the sale, plus 10% per annum interest on those taxes and special assessments, will also be required to be paid to redeem such property. In addition, IC 6-1.1-25-2 (e) states the total amount required for redemption may include the following costs incurred and paid by the purchaser or the purchaser's assignee or the county before redemption: (1) The attorney's fees and cost of giving notice under IC 6-1.1-25-4.5. (2) The costs of title search or examining and update the abstract of title for the tract or item of real property. The period of redemption shall expire one year from the date of sale for an initial offering. The period of redemption shall expire one hundred twenty (120) days from the date of sale for a property offered in two or more consecutive tax sales.

If the tract or item of real property is sold for an amount more than the minimum bid and the property is not redeemed, the owner of record of the property who is divested of ownership at the time the tax deed is issued may have a right to the tax sale surplus.

The Auditor and Treasurer specifically reserve the right to withhold from the sale any parcel which has been listed in error, or which otherwise become ineligible for sale either prior to 10/27/2005 or during the duration of the sale.

This notice of real property tax sale, and the tax sale itself are undertaken and will be conducted pursuant to the requirements of the laws of the State of Indiana which regulate the sale of land for delinquent taxes, pursuant to I.C. 6-1.1-24-1 et seq.

Ghost Tour at Rochester

Members of Haunted/Historical Investigations and Tours (H.I.T.) will conduct ghost tours of the Fulton County Historical Society grounds Saturday, October 1.

Participants will walk with a tour guide down the Village of Loyal's shadowy lanes filled with ghosts, ghouls and legends. Unearthly stories of hauntings and happenings will be told along with mysteries/memories of the historic buildings and the people who might have lived there. You may find yourself invited into the abode of the village gypsy woman to have your fortune told or visit the old apothecary building for a demonstration on the use of dowsing rods and pendulums. At the end of the ghost tour, visitors will relax in the round barn and listen to a tale told by the village storyteller.

Tickets are $8 for adults and $5 for children under 11 and are available at the Fulton County Museum. Proceeds will benefit the Fulton County Historical Society and H.I.T.

Federal Court Upholds Do Not Call Law

Indiana's Do Not Call law has already withstood state court scrutiny, and in yet another ruling the law has also survived the scrutiny of the U.S. District Court in Indianapolis, according to Attorney General Steve Carter. A group of telemarketers had challenged the law in federal court after a state court had rejected similar arguments.

"The federal court ruling is a great victory for citizens who have declared that they don't want to be bothered by telemarketers making unsolicited sales calls," Carter stated. "After the state court rejected a challenge to the law in 2002, we were confident that the law would withstand federal court scrutiny as well. The privacy rights of individuals do outweigh the interests of a group that makes unsolicited sales calls and interrupt the peace and quite of a person's home."

The National Coalition of Prayer, Indiana Association of Police Chiefs, and the Kentucky-Indiana Chapter of Paralyzed Veterans of America filed the lawsuit three years ago arguing that the law violated the United States Constitution and restricted the right to free speech. The Indiana Troopers Association was an original plaintiff; however, it withdrew it support of the lawsuit in 2004. All of these groups have used professional solicitors to raise money on their behalf. Indiana's Telephone Privacy Law bars professional fundraisers from calling phone numbers registered on the list. Charities may still call if they use employees or volunteers.

There are more than 1.7 million phone numbers registered on the state's Do Not Call List – more than 60 percent of the state's residential phone lines. The upcoming quarterly deadline to register for the list is November 22. That list will take effect on January 1, 2006. Those not currently registered on the list can register at www.in.gov/attorneygeneral.
