Conservancy Board Holds November Session

The Lake Bruce Conservancy District board of directors held its' monthly meeting Thursday, November 10, in the community room of the Kewanna-Union Township Fire Station.

Dave Foust, conservancy district treasurer, presented the local fire chief, Larry Kimble, with a check for $150 in appreciation of the use of the community room for meetings.

A report from J. F. New & Associates was read regarding the progress of the preliminary studies on the proposed dredging project. It explained that approximately 75% of the probing to determine the amount of sediment has been completed to date. It went on to say that after the amount of sediment has been determined, the size of the area needed to put the dredged material will be calculated. Landowners with the prescribed amount of property will be contacted. The company expects that an application for permits and the grant will be made in December. This will need to be a three-year project as the amount of grant money any lake can receive under the LARE program is $100,000 per year with a $300,000 maximum. It also requires a 25% match to qualify. Areas to be dredged will need to be prioritized so that the most critical areas are dredged first.

Stephen Fralish of Wightman-Petrie, the engineering company for the sewer project, was present and stated that much of the studies needed for the preliminary engineering report have been completed. A few studies are still ongoing, including the income survey, which will determine whether or not the district qualifies for a $500,000 grant. If the district does not qualify, it is estimated that property owners will see a $6-$8 increase in the projected monthly billing. The preliminary engineering report should be completed in the next few months and then application can be made for grants and loans. Once Rural Development gives its approval, the district will move into the final engineering process. The final engineering should take approximately six months. Bids will then be received for the project. According to Fralish, the district is still on track to be able to start hooking up properties to the system by mid-2008.

The conservancy district board of directors encourages residents within the district to attend all meetings and give their input concerning the business of the district. It is important that the directors know the feelings of all members when making decisions that affect everyone in the district. The meetings are held the second Thursday of the month at 7 p.m. in the community room of the Kewanna-Union Township Fire Station, with one exception. The annual meeting, including the election of officers, is held the third Thursday of February.

Here in Fulton County, Woodlawn Hospital is announcing that their campus and grounds are smoke free effective November 17. Las Cabanas is Fulton County's first smoke free bar and restaurant. Smoke Free Fulton County asks you to recognize the following smoke free restaurants in the county: Ann Marie's Pizza (Akron), Arby's, Dairy Queen, Dick's Drive Inn, Las Cabanas, Streamliner Central, Mama's Pizza, Pac-A-Sak, D.J.'s Diner (Kewanna), Pizza Hut, Scotts Foods, Streamliner Junction, Wendy's, McDonald's, Rochester Bagel and Deli, Manitou Banquet Hall, Taco Bell/Kentucky Fried Chicken, Wal-Mart, Fulton County Wellness Center, Woodlawn Hospital cafeteria, Subway, Cobbler's Corner Hole in the Wall, The Other Guy and The Flagpole. NATIONAL HOSPICE MONTH

Congress has proclaimed November as National Hospice Month. This year, over 2.5 million Americans will die. Of those, over 900 thousand will utilize the services of local hospices. Hospices care for people with terminal illnesses. If a person is diagnosed with a terminal illness and a six month or less prognosis, he qualifies for hospice services. Though there are hospices with in-patient facilities, many help families take care of their loved ones in their own homes. The type of care hospices provide is called palliative. Palliative care is comfort care as opposed to curative treatments. When all curative treatments have been exhausted, the need for comfort care becomes more acute. One of the major goals of hospice care is to minimize pain and suffering in the dying process. Hospices are composed of medical professionals, physicians, nurses, home health aides, social workers, chaplains, and a whole team of volunteers. They all are called upon to provide the care givers all of the support that they need to care for their loved ones. The services provided by local hospices are invaluable to the communities which they serve. November is the month we all should recognize the assets to our communities of local hospices.

DAY OF RE-CONSECRATION

To the pioneer settlers of America, there was no final conquest. Simply to have accomplished one bounteous harvest was only a good beginning. They remembered to set apart a special day in thanksgiving to the Almighty God for His abundant goodness.

Proclaiming a day of Thanksgiving has become an annual tradition to which all America has fallen heir.

One of mankind's oldest traditions, however, is the establishing of monuments in memory of departed loved ones.

We have a complete line of monuments and will gladly assist in your selection.

One million pop tabs and counting...

Dorothy Morgan and Peg Schultz of Francesville, both members of the Pulaski Memorial Hospital Auxiliary, coordinate the collection of pop tabs and deliver them once a year to the Ronald McDonald House associated with Riley Children's Hospital in Indianapolis.

The pop tabs are used to finance housing and food expenses for families of children who are hospitalized, and are unable to pay these expenses for themselves.

It takes one thousand pounds to equal one million tabs. With this year's delivery, the one million goal was reached with 50 pounds being applied to the second million.

The project began three years ago when Dorothy's granddaughter, a member of an Indianapolis Brownie Troop, was collecting pop tabs. Dorothy got some collection boxes and took the idea to the Midwest Area Auxiliaries.

The project, adopted by the Midwest Area Auxiliaries representing nine area hospitals, has grown every year. This year more than 480 pounds of pop tabs were delivered to Indianapolis.

"Several individuals and churches save the pop tabs and donate them to the Auxiliary. We welcome anyone to join us in this effort," Dorothy said.

More than 480 pounds of bagged, boxed and bottled pop tabs fill the back of the van owned by Peg Schultz of Francesville, sending the project over the one million pop tab goal. Proceeds from this project are used to financially support the Ronald McDonald House.

Caring for the sick, elderly and dying in their homes truly is a privilege for us", according to Amy Bean, Director of Pulaski Memorial Home Health & Hospice.

"Hospice concentrates on living life to the fullest. That's why Pulaski Memorial Hospice volunteers play a very important part in this program. They are great people, with various backgrounds, that are willing to give up part of their precious spare time to help others," according to Karen Utes, Hospice Volunteer Coordinator.

Pulaski Memorial Home Health Care staff is always on the go to help their patients remain in the comfort of their home and yet receive technologically advanced health care. For more information call 574-946-2140.

Through technological advances, home health care has grown far beyond basic professional nursing and home care aide services. Physical, occupational and speech therapies, blood work, medical equipment and medical supplies are available for care in your home.

Home health care and hospices services are paid for by Medicare, Medicaid and most insurance companies.

PUBLIC NOTICE

NOTICE OF INTENT TO SELL BONDS
$3,470,000
GENERAL OBLIGATION BONDS OF 2005
FULTON COUNTY PUBLIC LIBRARY

Upon not less than twenty-four (24) hours notice given by telephone by the undersigned Secretary prior to February 8, 2006, Fulton County Public Library (the "Library) will receive and consider bids for the purchase of the following described Bonds. Any person interested in submitting a bid for the Bonds must furnish in writing to the Fulton County Public Library c/o Umbaugh, 925 Dora Lane, Suite One, Plymouth, Indiana 46563; (574) 935-5178, (574) 935-5928 (facsimile) or by e-mail to pletcher@hju.com on or before 2:00 p.m. (Indianapolis Time) December 1, 2005, the person's name, address, and telephone number. Interested persons may also furnish a telecopy number. The undersigned Secretary will notify (or cause to be notified) each person so registered of the date and time bids will be received not less than twenty-four (24) hours before the date and time of sale. The notification shall be made by telephone at the number furnished by such person and also by telecopy, if a telecopy number has been received or by electronic e-mail, if an e-mail address has been received. It is anticipated that the sale will occur at 11:00 a.m. (Indianapolis Time) on December 8, 2005.

At the time designated for the sale, the Library will receive at the offices of Umbaugh, 925 Dora Lane, Suite One, Plymouth, Indiana, and consider bids for the purchase of the following described Bonds:

General Obligation Bonds of 2005 (the "Bonds) of the Library, an Indiana corporation, in the principal amount of $3,470,000; Fully registered form: Denomination $5,000 and integral multiples thereof; Originally dated the date of delivery of the Bonds; Bearing interest at a rate or rates to be determined by bidding, payable on July 15, 2006, and semiannually thereafter; These Bonds will be initially issued in a Book Entry System (as defined in the Bond Resolution). Interest payable by check mailed one business day prior to the interest payment date or by wire transfer to depositories on the interest payment date to the person or depository in whose name each Bond is registered with the Registrar on the fifteenth day immediately preceding such interest payment date; Maturing or subject to mandatory redemption beginning on July 15, 2006 through no later than January 15, 2026 in the amounts and on the dates as provided by the Library prior to the sale.

The Bonds are redeemable prior to maturity at the option of the Library, in whole or in part in such order of maturity as the Library shall direct and by lot within maturity, on any date not earlier than January 15, 2015, at face value.

In case of any redemption, 30 days' notice will be given by mail to the registered owners of the Bonds to be redeemed, and accrued interest will be paid to date fixed for redemption. Interest on the Bonds so called for redemption will cease on the redemption date fixed in said notice if funds are available at the place of redemption to redeem the Bonds so called on the date fixed in said notice, or thereafter when presented for payment.

The Bonds have been designated as qualified tax-exempt obligations for purposes of Section 265(b)(3).

A bid may designate that a given maturity or maturities shall constitute a term bond, and the semi-annual amounts as provided by the Library shall constitute the mandatory sinking fund redemption requirements for such term bond or Bonds. For purposes of computing net interest cost, the mandatory redemption amounts shall be treated as maturing on the dates set forth in the schedule provided prior to the sale.

Each bid must be for all of the Bonds and must state the rate of interest which each maturity of the Bonds is to bear, stated in multiples of 1/8th or 1/20th of 1%. The maximum interest rate on the Bonds shall not exceed 6.00% per annum. All Bonds maturing on the same date shall bear the same rate, and the rate of interest bid for each maturity must be equal to or greater than the rate bid on the immediately preceding maturity. Bids shall set out the total amount of interest payable over the term of the Bonds and the net interest cost on the Bonds covered by the bid. No bid for less than 99% of the face value of the Bonds will be considered. The Bonds will be awarded to the highest qualified bidder who has submitted a bid in accordance herewith. The highest bidder will be the one who offers the lowest net interest cost to the Library, to be determined by computing the total interest on all of the Bonds to their maturities based upon the schedule provided by the Library prior to the sale and deducting therefrom the premium bid, if any, and adding thereto the discount bid, if any. No conditional bids will be considered. The right is reserved to reject any and all bids. If an acceptable bid is not received for the Bonds on the date of sale hereinbefore fixed, the sale may be continued from day to day thereafter, during which time no bids for less than the highest bid received at the time of the advertised sale will be considered.

Each bid must be enclosed in a sealed envelope addressed to the Library and marked on the outside "Bid for General Obligation Bonds of 2005". A good faith deposit ("Deposit") in the form of a certified or cashier's check or a Financial Surety Bond in the amount of $34,700 payable to the order of the Library is required for each bid to be considered. If a check is used, it must accompany each bid. If a Financial Surety Bond is used, it must be from an insurance company licensed to issue such a bond in the State of Indiana, and such bond must be submitted to the Library or its financial advisor prior to the opening of the bids. The Financial Surety Bond must identify each bidder whose Deposit is guaranteed by such Financial Surety Bond. If the Bonds are awarded to a bidder utilizing a Financial Surety Bond, then that purchaser (the "Purchaser") is required to submit its Deposit to the Library or its financial advisor in the form of a cashier's check (or wire transfer such amount as instructed by the Library or its financial advisor) not later than 3:30 p. m. (EST) on the next business day following the award. If such Deposit is not received by that time, the Financial Surety Bond may be drawn by the Library to satisfy the Deposit requirement. No interest on the Deposit will accrue to the Purchaser. The Deposit will be applied to the purchase price of the Bonds. In the event the Purchaser fails to honor its accepted bid, the Deposit will be retained by the Library as liquidated damages. The checks of the unsuccessful bidders will be returned immediately following the award of the Bonds.

The successful bidder shall make payment to the bank selected as registrar (the "Registrar") for the Bonds and accept delivery thereof from the Registrar within five days after being notified that the Bonds are ready for delivery, at such place in the City of Indianapolis, Indiana, as the successful bidder may designate. The Bonds will be ready for delivery within 45 days after the date of sale. If the Library fails to have the Bonds ready for delivery prior to the close of banking hours on the forty-fifth day after the date of sale, the bidder may secure the release of his bid upon request in writing, filed with the Library. The successful bidder is expected to apply to a securities depository registered with the SEC to make such Bonds depository-eligible. At the time of delivery of the Bonds to the successful bidder, the bidder will be required to certify to the Library the initial reoffering price to the public of a substantial amount of each maturity of the Bonds.

It is anticipated that CUSIP identification numbers will be printed on the Bonds, but neither the failure to print such numbers on any Bond nor any error with respect thereto shall constitute cause for failure or refusal by the successful bidder therefore to accept delivery of and pay for the Bonds in accordance with the terms of its proposal. No CUSIP identification number shall be deemed to be part of any Bond or a part of the contract evidenced thereby and no liability shall hereafter attach to the Library or any of its officers or agents because of or on account of such numbers. All expenses in relation to the printing of CUSIP identification numbers on the Bonds shall be paid for by the Library; provided, however, that the CUSIP Service Bureau charge for the assignment of said numbers shall be the responsibility of and shall be paid for by the successful bidder. The successful bidder will also be responsible for any other fees or expenses it incurs in connection with the resale of the Bonds.

The unqualified approving opinion of Ice Miller, bond counsel of Indianapolis, Indiana, together with a transcript of the proceedings relating to the issuance of the Bonds and closing papers in the usual form showing no litigation questioning the validity of the Bonds, will be furnished to the successful bidder at the expense of the Library.

The Bonds are being issued for the purpose to pay the cost of the renovation of and addition to the Fulton County Public Library building, and will be direct obligations of the Library payable out of unlimited ad valorem taxes to be collected on the taxable property within the Library. Fulton County Public Library is a library organized pursuant to the provisions of I.C. 20-14, and the Bonds will not be "private activity bonds" as defined in Section 141 of the Internal Revenue Code of 1986.

The Bonds constitute an indebtedness only of the Library. Interest on the Bonds is exempt from all income taxation in Indiana. In the opinion of bond counsel, under the existing federal statutes, decisions, regulations and rulings, the interest on the Bonds is excludable from gross income for purposes of federal income taxation.

The Library has prepared a preliminary official statement relating to the Bonds which it has deemed to be a nearly final official statement. Within seven (7) business days of the sale, the Library will provide the successful bidder with 69 copies of the final official statement at the Library's expense. Additional copies, at the purchaser's expense, must be requested within five (5) business days of the sale. Inquiries concerning matters contained in the nearly final official statement must be made and pricing and other information necessary to complete the final Official Statement must be submitted by the successful bidder within two (2) business days following the sale to be included in the final official statement.

The Library has agreed to enter into a Continuing Disclosure Undertaking in order to permit the successful purchaser to comply with the SEC Rule 15(c)2-12. A copy of such Agreement is available from the Library or financial advisor at the addresses below.

Further information relative to said issue and a copy of the nearly final official statement may be obtained upon application to Umbaugh, 925 Dora Lane, Suite One, Plymouth, Indiana 46563, financial advisor to the Library: Burke & Heller, 113 East Tenth Street, Rochester, Indiana 46975, attorney for the Library; or Dave Ewick, Director, Fulton County Public Library, 320 West Seventh Street, Rochester, Indiana 46975. If bids are submitted by mail, they should be addressed to the Library, attention of Dave Ewick, Director, Fulton County Public Library, 320 West Seventh Street, Rochester, Indiana 46975.
